

JOHN McMAHON, SHERIFF-CORONER

Senate Bill 1421 (Peace Officers Release of Records) became effective on January 1, 2019. Prior to SB 1421, peace officers' personnel records and records relating to specified incidents, complaints, and investigations involving peace officers were confidential. The Bill created four categories where a peace officer's personnel records would become public record through a Public Records Request.

The four categories for release of information are when an incident involved a peace officer and:

- Discharge of a firearm at a person
- A use of force against a person resulting in death, or great bodily injury
- A sustained finding that an officer engaged in a sexual assault involving a member of the public
- A sustained finding of dishonesty directly relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another peace officer

The Department retains employee personnel records for five years as required by Penal Code section 832.5. The Department began to receive request for records in late December of 2018. At that time any potentially responsive personnel records, that might otherwise have been purged, were retained.

Through April 12, 2019, the Department was subject to a temporary restraining order preventing release of any records created prior to January 1, 2019. It took the Department an additional 4 months to compile, review, and redact information from the incidents that meet the criteria for SB 1421. Incidents over the past five years were thoroughly reviewed, and nine incidents met the criteria for release. State law requires an agency to withhold or redact records in certain circumstances. (See Cal. Const., art. I, § 1; Code Civ. Proc., § 2018.030; Evid. Code, § 954; Gov. Code, §§ 6254.3, 6254, & 6255; and Penal Code, §§ 832.7, 11105 & 13300.) Additional records are pending review and will be disclosed as soon as possible.

The San Bernardino County Sheriff's Department believes in transparency. Our employees work hard to maintain the public trust and keep our communities safe.

SUMMARY

Subject: Armando Espinoza, Deputy Sheriff

Reported By: Brett Zour, Sergeant

Deputy Armando Espinoza was assigned to the front gate guard shack at West Valley Detention Center (WVDC). [REDACTED] and [REDACTED] were assigned to the WVDC as out of custody inmate workers as part of the Work Release Program (WRP). Espinoza supervised [REDACTED] and [REDACTED] who were assigned to clean the guard shack as part of their duties. Espinoza allowed [REDACTED] and [REDACTED] to stay in the guard shack for periods of time during the day because it was hot outside.

On several occasions Espinoza and [REDACTED] engaged in sexual activity. [REDACTED] was present during an incident where [REDACTED] orally copulated Espinoza and video recorded the incident using [REDACTED] phone. During a court appearance [REDACTED] attorney presented the video to the District Attorney's office who notified the Sheriff's Department. A criminal investigation was conducted prior to the administrative investigation.

When interviewed, [REDACTED] [REDACTED] and Espinoza were unsure of what dates each incident occurred. According to the digital photos and video retrieved from [REDACTED] and Espinoza's phones, several of the incidents occurred on July 5, 2015 and July 12, 2015. During the administrative investigation [REDACTED] and [REDACTED] refused to be interviewed. Espinoza was interviewed and admitted to several incidents of sexual misconduct with [REDACTED] including kissing, physical contact with her breasts and oral copulation.

According to [REDACTED] Espinoza showed her pictures of naked women on his phone and spoke about sexual things. [REDACTED]

1 [REDACTED]. Espinoza told her he would "sneak peek" a look
2 at women's undergarments when they drove up to the guard shack. Espinoza asked to see
3 naked pictures of [REDACTED] and [REDACTED] and showed them a picture of his penis. [REDACTED] said
4 the first time Espinoza touched her in a sexual way was when he asked [REDACTED] for her phone
5 number and then brushed against her breast with his elbow.

6
7 According to [REDACTED] Espinoza asked [REDACTED] to expose her breasts on several occasions
8 which she felt compelled to do because she was intimidated by him. During some of the
9 incidents where she exposed her breasts, Espinoza touched her breasts with his hand and
10 put his mouth on her breasts. Espinoza kissed [REDACTED] on her mouth and asked her to tell him
11 how he aroused her.

12
13 On two occasions [REDACTED] orally copulated him. The first time [REDACTED] orally copulated
14 Espinoza, the incident was video recorded by [REDACTED]. The second time [REDACTED] orally
15 copulated Espinoza, he took pictures with his phone of [REDACTED] breasts, his penis pushed
16 against her breasts and [REDACTED] orally copulating him. Espinoza later sent those pictures to
17 [REDACTED] via text messages. [REDACTED] said Espinoza slapped her on the buttocks as she walked out
18 of the guard shack. Espinoza told [REDACTED] not to say anything about what happened.

19
20 According to [REDACTED] Espinoza touched [REDACTED] breasts over her clothes and later
21 convinced [REDACTED] to expose her breasts. According to [REDACTED] who did not want to be
22 involved in the investigation, Espinoza never touched her in a sexual way. [REDACTED] said
23 the sexual incidents she witnessed between [REDACTED] and Espinoza were consensual. She
24 admitted to video recording [REDACTED] orally copulate Espinoza.

1 According to Espinoza, sometime on a Sunday in late June of 2015, [REDACTED] and [REDACTED]
2 were inside the guard shack with him. They showed him pictures of themselves partially
3 nude or "scantily dressed" that were located on their phones. Espinoza asked to see the
4 pictures again. Espinoza showed them a picture of his penis that was located on his phone.
5

6 Espinoza said the following Sunday (believed to be July 5, 2015), [REDACTED] and [REDACTED]
7 were in the guard shack with him when [REDACTED] asked [REDACTED] to show her breasts, which
8 she did by pulling up her shirt and bra. [REDACTED] showed one of her bare breasts by pulling
9 her shirt up, then pulling her bra up on one side, exposing one of her breasts. Espinoza said
10 later that day he pulled his penis out and took a picture of it and sent it to [REDACTED] In
11 Espinoza's criminal interview, he said this photograph was taken in front of [REDACTED] and
12 [REDACTED] but during the administrative interview he said he was by himself when the
13 photograph was taken.
14

15 According to Espinoza, later that day [REDACTED] and [REDACTED] flirted with Espinoza and asked
16 to see his penis, so he took his penis out. [REDACTED] exposed her breasts, masturbated his penis
17 and orally copulated him. [REDACTED] was present and videotaped the incident.
18

19 Espinoza said the following Sunday (believed to be July 12, 2015), [REDACTED] was in the guard
20 shack with him and [REDACTED] was not present. [REDACTED] showed her bare breasts to Espinoza
21 and he touched her breasts with his right hand. Espinoza did not recall putting his mouth
22 on her breasts and said he did not kiss her. [REDACTED] put her breast against his penis and orally
23 copulated him. Espinoza took pictures of these sexual acts and sent them to [REDACTED] via text
24 messages.
25
26

During the criminal interview, Espinoza said he only remembered being orally copulated one time by [REDACTED]. During the administrative interview, he remembered [REDACTED] orally copulated him two times. Espinoza said all the incidents were consensual. He told [REDACTED] and [REDACTED] not to say anything but he never threatened them.

During the criminal investigation, Espinoza's phone was seized and later sent to Hi-Tech Crimes Detail to be examined, pursuant to a search warrant. During the examination, photos were located of [REDACTED] and [REDACTED]. There were several photos of [REDACTED] bare breasts, Espinoza's penis and [REDACTED] orally copulating Espinoza. During the administrative interview, Espinoza identified them as the photographs he took during the second time he was orally copulated by [REDACTED].

On August 24, 2015, Espinoza was charged with four felony counts of Penal Code §289.6(a)(2), Sexual activity with a confined consenting adult (FWV1503116).

During the investigation no other victims were located and no other employees were found to be involved.

End of Summary.

ADMINISTRATIVE INTERVIEW

Subject: Armando Espinoza, Deputy
Date/Time: Wednesday, September 16, 2016, 1109 hours
Location: Internal Affairs Division
Represented By: Steven Sanchez, Attorney
Interviewed By: Brett Zour, Sergeant
Robert Kelly, Sergeant
Reported By: Robert Kelly, Sergeant

Prior to the recorded interview, Deputy Espinoza was advised of the scope and nature of the interview. He was supplied a copy of the Administrative Investigation Advisement Forms and acknowledged his understanding of the forms by signing them. The following is a summary of the interview.

Espinoza has been employed by the San Bernardino County Sheriff's Department for approximately eight and one half years. He is currently assigned to the West Valley Detention Center (WVDC).

Espinoza was asked to describe his duties while assigned to the WVDC. According to Espinoza his duties included, working the housing units to supervise inmates and transportation. When asked about what his specific duties were when this incident occurred, Espinoza said he was assigned to the "front gate." For clarification, Espinoza was asked if the front gate was referred to as the "guard shack." Espinoza said yes.

When asked how he met inmate [REDACTED], Espinoza said [REDACTED] was a weekend worker who worked on Sundays. She came by his work station occasionally to clean or do

Brett Zour, Sergeant, Internal Affairs

1 whatever Espinoza asked. Her duties included, picking up trash, emptying the trash cans,
2 cleaning the windows, sweeping and mopping. Some of their other duties also included,
3 cleaning the parking lot and Visiting Lobby. When asked if he remembered when [REDACTED]
4 started working as an inmate worker at WVDC, Espinoza said he did not remember the
5 exact dates; however, he believed it was in June or July of 2015. When asked if Espinoza
6 was assigned to the front gate when [REDACTED] became an inmate worker, Espinoza said it was
7 his assignment at that time. Espinoza said the front gate position was a three month
8 assignment. He had been assigned to this position since the position was created.

9
10 When asked to elaborate on his interactions with [REDACTED] Espinoza said she and another
11 worker, known to him as [REDACTED]" ([REDACTED]) came to his work station and talked to
12 him. Because of the extreme heat, [REDACTED] and [REDACTED] came into the air conditioned guard
13 shack to cool off. While inside the guard shack they both flirted with him which inevitably
14 led to the sexual acts between Espinoza and [REDACTED]

15
16 When asked what he called [REDACTED] Espinoza said he called her by her first name, '[REDACTED]
17 When asked to explain [REDACTED] status as an out-of-custody work release inmate, Espinoza
18 said he believed [REDACTED] was arrested for domestic abuse or DUI. He said [REDACTED] was not
19 sentenced to jail, but had to serve weekends and worked her time off by working once or
20 twice a week. Espinoza did not know how many weekends [REDACTED] needed to serve but
21 "they" would come in to the jail eight to ten times to work off their sentence. When asked
22 to clarify his statement, Espinoza said he believed [REDACTED] served time for DUI and [REDACTED]
23 served time for a domestic incident that occurred between her and her ex-husband. When
24 asked how he knew this information, Espinoza said [REDACTED] told him.

1 When asked to explain the difference between an out-of-custody inmate and an in-custody
2 inmate, Espinoza explained an in-custody inmate served their time inside the jail. He
3 believed an out-of-custody inmate served their time without actually doing jail time. They
4 served their time by working so many hours in a day. Espinoza was asked if they were
5 considered inmates for the time they were working the jail, but were allowed to go home at
6 the end of the day. Espinoza said, "I guess so." According to Espinoza, at the time, he did
7 not consider them to be inmates, then stated, "But you know now, looking back, yeah but."
8 Espinoza was asked to clarify what he in fact considered them to be. Espinoza said they
9 were like "uh not volunteers, they can't be volunteers, but." He then continued and said
10 they were people just doing their time, working off time instead of doing jail time. Again,
11 Espinoza was asked to clarify what he meant when he referred to "time." Espinoza said it
12 was time they owed the courts as punishment, but it was not severe enough to do actual jail
13 time. When asked if they served their jail time while out of custody, Espinoza confirmed
14 that was his understanding.

15
16 Later in the interview, Espinoza was asked if at the time of the incident he believed [REDACTED]
17 was serving time for a criminal conviction by the court, he said yes. Espinoza was asked if
18 in-custody inmates served time based on criminal convictions, he said he believed so.
19 When Espinoza was asked if there was any difference between in-custody inmates and
20 work release inmates, he said at the time he did not consider [REDACTED] and [REDACTED] to be
21 inmates. He did understand they were convicted and served time of some sort. When
22 Espinoza was asked if, at the time, he knew it was against policy to fraternize with inmates
23 or engage in sexual relations with inmates, Espinoza said yes.

24
25 When asked if [REDACTED] started working at WVDC before or after [REDACTED] Espinoza said he
26 believed it was around the same time, but was not certain. After confirming Espinoza

1 exchanged phone numbers with [REDACTED] he was asked if he had also exchanged phone
2 numbers with [REDACTED] Espinoza said he did not. When asked why he exchanged phone
3 numbers with [REDACTED] Espinoza said, at the time, [REDACTED] and [REDACTED] would leave for an
4 hour lunch break and [REDACTED] wanted him to text her if he wanted her to bring him anything
5 to drink. When asked for the exact date of the phone number exchange between him and
6 [REDACTED] he could not remember, but thought it was sometime after [REDACTED] and [REDACTED]
7 started working there, in late June or early July of 2015.

8
9 When asked about the incident that occurred at the front gate/guard shack. Espinoza said,
10 [REDACTED] and [REDACTED] were inside of the guard shack sitting down looking at pictures stored
11 on their cell phones. After they showed him some of the pictures, things began to escalate.
12 When asked to describe what kind of pictures Espinoza was referring to, he said the
13 photographs showed [REDACTED] and [REDACTED] "scantily dressed" or "topless." When asked if
14 anything else occurred, he said nothing else happened until the next week. This was the
15 first time anything with a sexual overtone occurred.

16
17 When asked if he showed the two of them any of his pictures the same day he initially
18 viewed theirs, Espinoza said he showed them pictures stored on his phone of himself in the
19 nude. Espinoza was specifically asked if the pictures he showed them depicted his penis.
20 Espinoza said they did. When asked if he ever took a picture of his penis while in front of
21 them, Espinoza said he did not. When asked if anything else occurred at that time,
22 Espinoza said on that day they merely viewed each other's pictures and nothing else.

23
24 When asked what they discussed while viewing the pictures, Espinoza said he did not
25 remember what they talked about. When asked if [REDACTED] and [REDACTED] showed Espinoza the
26 pictures on their own, or if he asked them to show him, Espinoza said it was both, they

1 showed him the pictures and he asked to see them again. When asked if there was talk
2 about any sexual behavior while they viewed the pictures, he said there was not, with the
3 exception of [REDACTED] saying they should all get together at his house, which he chose to
4 ignore.

5
6 When asked when they first talked about things of a sexual nature, Espinoza said it was
7 about the same time, but there was no specific reference to what they wanted to do
8 sexually. When asked if anyone took pictures of [REDACTED] breast on the first occasion, when
9 they were all viewing each other's pictures, Espinoza said no.

10
11 When asked when the next incident of a sexual nature occurred, Espinoza said it happened
12 the following Sunday. When asked what happened on that day, he said it was more of the
13 same activity, however, [REDACTED] and [REDACTED] pushed him to go farther. Espinoza was asked
14 what he meant by being pushed to go farther. He said [REDACTED] and [REDACTED] flirted with him,
15 asking to see his penis. When asked how they flirted, Espinoza indicated it was by the way
16 they spoke to him and tried to "goad" him to do it. When asked if they both tried to get him
17 to show them his penis, Espinoza said yes. When asked if he showed them his penis at that
18 time, Espinoza said yes, and he believed they also took video footage of the incident.

19
20 When asked if he ever took a picture of his penis in front of them and whether he sent it to
21 [REDACTED] via text message, Espinoza said he did, the same day before they went to lunch. For
22 clarification, Espinoza was again asked if he took his penis out to take the picture while in
23 front of them. Espinoza said he was alone inside the restroom in the back of the guard
24 shack when he took the photograph. When asked if he took photographs of [REDACTED] breasts,
25 Espinoza said he did, later the same day.

26

1 After [REDACTED] and [REDACTED] returned from lunch they came to the guard shack and the three
2 of them had another interaction. During the interaction both [REDACTED] and [REDACTED] asked to
3 see his penis again. When asked if he asked to see [REDACTED] breasts, Espinoza said he
4 believed it was [REDACTED] who asked [REDACTED] which resulted in [REDACTED] exposing her breasts to
5 him and [REDACTED]. When asked how [REDACTED] exposed her breasts, he said she lifted her shirt
6 and bra. When asked if he took a picture of [REDACTED] breasts at that time, Espinoza said no.
7 Espinoza said he photographed [REDACTED] breasts right before she orally copulated him, while
8 inside the guard shack. When asked to describe his precise location when this occurred,
9 Espinoza said he was in the restroom in the back of the guard shack. When asked why the
10 three of them were inside the restroom at the time, Espinoza said when [REDACTED] and [REDACTED]
11 came there to hang out they hung out in the restroom where it was cool. He described the
12 restroom as a large area, containing lockers and a sink. After [REDACTED] showed [REDACTED] her
13 breasts, [REDACTED] and [REDACTED] left the guard shack and continued with their duties.

14
15 When asked if [REDACTED] and [REDACTED] returned to the guard shack, Espinoza said they did,
16 approximately one hour later. After [REDACTED] and [REDACTED] returned the situation escalated,
17 when they asked to see his penis again. After [REDACTED] exposed her breasts, [REDACTED] brought
18 her camera out. When asked if he took a picture of [REDACTED] breasts at that time, Espinoza
19 said he did not. He said he did not photograph [REDACTED] breasts in front of [REDACTED] he did
20 that the following weekend. When asked if he touched [REDACTED] breasts at that time, he said
21 no. When asked if there was any physical contact between him and [REDACTED] up to that point,
22 Espinoza said no.

23
24 When asked what occurred after [REDACTED] showed him her breasts the next time, Espinoza said
25 he removed his penis from his pants and [REDACTED] began orally copulating him. He also
26 noticed [REDACTED] had her cell phone out and was taking photographs, but he later found

1 out that she video recorded the incident. When asked why he removed his penis from his
2 pants, Espinoza said he did so because [REDACTED] and [REDACTED] asked him to. When asked if
3 [REDACTED] began to masturbate him while his penis was exposed, he said she did that first
4 which caused his penis to become partially erect. When asked how long [REDACTED] continued to
5 masturbate him, he said it lasted about twenty to thirty seconds. When asked how long
6 [REDACTED] orally copulated him, Espinoza said it lasted for about fifteen to twenty seconds.
7 When asked if this occurred in front of [REDACTED] Espinoza said it did. When asked if
8 [REDACTED] video recorded the incident as opposed to photographing it, Espinoza said she
9 did. When asked if he later sent a text message to either [REDACTED] or [REDACTED] inquiring about
10 how the video turned out, he said he did not remember.

11
12 During the criminal investigation against Espinoza, a series of past text messages and
13 photographs were forensically removed from his cellular telephone. These text messages
14 were either sent from or received by Espinoza and were used during the administrative
15 interview for reference. Using these references, Espinoza was specifically asked about a
16 text message that was received by his cellular telephone device on July 6, 2015, at 1238
17 hours. The text message contained an inquiry as to how the video turned out (It should be
18 noted that later during the interview, it was determined that Espinoza in fact sent the text
19 message from his cellular telephone as opposed to receiving it). When asked for an
20 explanation of the message's content, Espinoza said he could not explain it because he did
21 not record any video of the incident. Espinoza was asked if he knew video of the incident
22 had been recorded. Espinoza said at the time, he did believe photographs were taken, but
23 he did not know the incident was being video recorded. When asked if he ever sent or
24 received photographs of the incident, Espinoza said he did send photographs to [REDACTED] of
25 the second incident, when she held his penis to her breast, but he never sent a video
26 recording. Espinoza said he sent the photographs at [REDACTED] request.

1 When asked if he was nervous during the incident, Espinoza said he was. When asked why
2 he was nervous, he said he knew where he was and it was wrong. When asked what he
3 believed was wrong, Espinoza explained that the incident in its entirety was wrong because
4 he was on duty and he should not have engaged in the referenced activities. When asked if
5 anything else happened that day, he said he did not believe so.

6
7 When asked when the next sexual encounter between he and either [REDACTED] or [REDACTED]
8 occurred, Espinoza said it was the following Sunday. When asked what occurred, Espinoza
9 said much of same thing, although he did not believe [REDACTED] was there. On that
10 occasion, [REDACTED] took hold of his penis and again rubbed it against her breast. When asked
11 about their conversation leading up to what occurred, Espinoza said he and [REDACTED] talked
12 about her ex-husband who had been arrested. When asked if they ever talked about sexual
13 things that they were going to do, Espinoza said no. When asked if they ever talked about
14 things of a sexual nature done up to that point, he said no. When asked if [REDACTED] showed
15 him pictures on that day, Espinoza said no, because she either had a new phone or lost her
16 old one. When asked if this was the third incident, Espinoza said it was. Espinoza was
17 asked if on this occasion he took a photograph of [REDACTED] exposed breasts, he said he did.
18 He said on this occasion he touched her exposed breast with his right hand. When asked if
19 he placed his mouth on [REDACTED] breast, he said he could not remember and said that he was
20 very nervous at the time. According to Espinoza this incident also occurred in the restroom
21 within the guard shack. Later during the interview, when asked if he ever ejaculated during
22 the incidents in question, Espinoza said he never did.

23
24 According to Espinoza's statements there were two similar incidents where [REDACTED] orally
25 copulated him and one of the incidents was photographed by Espinoza. It was not clear
26 which incident he photographed [REDACTED] orally copulating him. Espinoza was shown a video

1 recording in which he was being orally copulated by [REDACTED] In the video, Espinoza was not
2 taking pictures of what occurred. Espinoza then explained, there were two similar incidents
3 where Espinoza was orally copulated by [REDACTED] and he did not remember which incident he
4 photographed.

5
6 When Espinoza was asked if there were any other sexual contacts between he and [REDACTED]
7 that were not discussed, he said no. When asked if he ever slapped [REDACTED] buttocks as she
8 walked out of the guard shack, he said he could not remember. When asked if he had a
9 conversation with either [REDACTED] or [REDACTED] about taking a "sneak-peek" at female's breasts
10 as they came up to the guard shack, Espinoza said no. When asked if he discussed this with
11 anyone at all, he said he could not remember. [REDACTED]

12 [REDACTED]
13 [REDACTED]
14 [REDACTED] When asked if he ever hugged [REDACTED] or [REDACTED] he said no. When
15 asked if he ever kissed [REDACTED] or [REDACTED] Espinoza said no.

16
17 When asked if he told [REDACTED] and [REDACTED] not to talk about what occurred between the
18 three of them, he said yes. He said he told [REDACTED] and [REDACTED] he had kids and they told
19 him they knew his situation. When asked why he told them not to say anything, Espinoza
20 said he did not want to get in trouble, nor did he want anyone to find out. When Espinoza
21 was asked if he knew what he had done was wrong, he said he did. When Espinoza was
22 asked if he ever threatened either of them in any way, he said he did not threaten anybody.
23 Espinoza also said no one else was ever present when the sexual encounters took place.
24 When asked about text message communications between him and [REDACTED] Espinoza
25 initially said he only asked her if she received her new phone yet, but never received a
26 reply. He said he did this on two occasions and did not remember anything else.

1 Referencing the cellular telephone forensic report for Espinoza's cellular telephone, he was
2 asked about several text messages between him and [REDACTED]. In these text messages Espinoza
3 and [REDACTED] made several references to what had previously occurred in the guard shack
4 between [REDACTED] [REDACTED] and him. Specifically, Espinoza made reference to [REDACTED]
5 exposing her breasts and he was not allowed to touch them. In addition, the text messages
6 went on to describe [REDACTED] as a voyeur and non-participant in their sexually oriented
7 activities. When asked if he remembered these text messages, he said he did, and they were
8 between him and [REDACTED]

10 Based on what was communicated in the text messages between him and [REDACTED] Espinoza
11 was asked if [REDACTED] ever showed him her breasts. Espinoza said he believed she did on
12 one occasion, but it was very brief and she only exposed one of her breasts. When asked if
13 he ever took photographs of her, he said no.

15 Espinoza viewed the video where [REDACTED] orally copulated him. Espinoza was asked if the
16 video was a recording of [REDACTED] orally copulating him, he said it was. When asked about the
17 audio portion of the video recording, in which [REDACTED] made reference to Espinoza looking at
18 another female in the room to get him going, Espinoza explained [REDACTED] statement was in
19 reference to how he looked at [REDACTED] who stood in the room as well. When Espinoza
20 was asked if the video's perspective was the location from which [REDACTED] was recording
21 the incident, he said yes. Espinoza said [REDACTED] was in the very back of the room. When
22 asked if he was aware that [REDACTED] was holding her phone up, Espinoza said yes.

24 When asked where the video recorded incident occurred, he said it occurred inside the
25 restroom, within the guard shack. He described the guard shack as being split down the
26 middle with a door separating the restroom from the main area. When asked if the video

1 contained a recording of the first or second incident which involved oral copulation
2 between him and [REDACTED], he said it was the first incident. Espinoza was asked if the vest
3 worn by [REDACTED] in the video at the time of the recording, indicated she was a work release
4 inmate, Espinoza said yes.

5
6 A series of digital photographs forensically recovered from Espinoza's cellular telephone
7 were displayed for Espinoza to see so he could explain their contents. Although each

INTEGRITY ADMONITION

You swore to uphold a Code of Ethics upon entering law enforcement. Prior to giving a statement in the pending investigation, remember the following lines from that code:

"Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department."

Honesty and truthfulness are core values and essential characteristics for a peace officer; the public we serve and the courts in which we testify demand no less.

Administrative evidence subject to such disclosure is not limited by any historical parameter; evidence spanning an employee's entire career must be disclosed. CASE SUMMARY

On Monday, August 3, 2015, Victim #1 (V1), appeared in court regarding a current court case for health and safety code violation 11377a, possession of a controlled substance. V1 was ordered by the court on a previous court appearance (court case # [REDACTED]) to complete a 60 days county jail commitment on weekends at a San Bernardino County Sheriff's Department detention facility. V1 completed all the necessary paperwork to fulfill her commitment and was assigned to West Valley Detention Center.

V1's defense attorney as well as a civil attorney accompanied V1 in court. V1's defense attorney requested V1 change her work commitment facility. When the District Attorney, Marbi Burnette, inquired as to why a change was needed for V1. V1's civil attorney presented Burnette with several still photographs and one video clip of V1 performing sexual acts with a uniformed deputy sheriff. The deputy was in a San Bernardino County Sheriff's Department uniform with a Sam Browne Duty belt. The duty belt has several items placed in a particular order on the belt specific to the deputy's personal preference. Several identifying items can be seen on the deputy in the video including his personal wrist watch.

The still images depict the deputy holding his penis in his hand and a picture of V1 with the deputy's penis in her mouth. The short video clip was of V1 performing oral copulation on the deputy. DDA Burnette contacted her supervisors after the court appearance to ensure the incident was reported to law enforcement.

On Tuesday, August 4, 2015, the San Bernardino County Sheriff's Department, Specialized Investigations Division was assigned to investigate the incident. After reviewing the video clip, it was taken to supervisors at West Valley Detention Center. Lieutenant D. Gould reviewed the video. Gould also checked what deputies were assigned to work near work release inmates assigned to West Valley Detention Center. Gould believed Deputy Armando Espinoza, DOB [REDACTED] was possibly the deputy in the video that V1 was performing oral copulation on.

Gould checked the schedule and determined Espinoza was scheduled to work on the graveyard shift on Tuesday, August 4, 2015 at approximately 1930 hours, Gould attended the briefing and

identified Espinoza's wrist watch and duty belt as the same as the one worn by the deputy in the video.

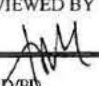

On Tuesday, August 4, 2015 at approximately 2000 hours, Detective C. Kirby contacted V1, via telephone with her attorney, Jennifer Bandel, present on a three way conference call. Kirby asked [REDACTED] if she knew the deputy she orally copulated. [REDACTED] immediately answered, "Armando Espinoza."

During the telephone interview with V1 advised she orally copulated Espinoza on two different occasions. Espinoza also placed his mouth on V1's breasts on five different occasions. All of the sexual acts were on the West Valley Detention Center premises while Espinoza was on duty and [REDACTED] was an out of custody inmate worker participating in the work release program. The initial interview with V1 was short and void of details at V1's attorney's request. Arrangements were made for V1 and her attorney to come to Sheriff's Headquarters on Thursday, August 6, 2015 at 1700 hours for a detailed interview.

On Tuesday, August 4, 2015, at approximately 2100 hours, Detective Ward and I interviewed Deputy Sheriff Armando Espinoza, DOB [REDACTED], under Miranda, about the sexual activity.

Espinoza claimed he met V1 on Sunday, July 5, 2015, while working as a deputy sheriff assigned to West Valley Detention Center (WVDC). At WVDC, Espinoza is assigned to work the guard shack. The guard shack is located on the east side of the jail property and is the only entrance into the jail property. Espinoza is responsible for checking cars and pedestrians which enter the property. V1 is an out of custody inmate worker who is assigned to the front lobby of the jail. As part of V1's duties, V1 will clean the guard shack when requested by Espinoza.

On Sunday, July 5, 2015, while working the guard shack, Espinoza and V1 started flirting with each other. Also in the guard shack with Espinoza and V1 was another out of custody inmate worker Espinoza only by the name of [REDACTED] [REDACTED] was later identified as [REDACTED], DOB [REDACTED]. V1 and [REDACTED] were showing each other pictures of themselves on their cell

phones. The pictures were of V1 and [REDACTED] breasts and them posing in sexual positions. Espinoza joined in on the conversation and was shown the pictures.

On Sunday, July 12, 2015, Espinoza, V1, and [REDACTED] were again in the guard shack. Espinoza was in uniform and on duty, V1 and [REDACTED] were both working as out of custody inmate workers. While in the guard shack, V1 and [REDACTED] showed Espinoza their bare breasts. While their breasts were exposed, Espinoza felt V1's bare breasts with his hands.

After touching V1's breasts, Espinoza unzipped his pants and pulled out his penis. While Espinoza's penis was exposed V1 grabbed his penis and stroked it with her hand. V1 then put Espinoza's penis in her mouth and orally copulated him for a few seconds. Espinoza claimed he was nervous and scared for fear of being caught so he stopped the act and went back to work. While V1 was orally copulating Espinoza, Espinoza noticed [REDACTED] was holding her phone and potentially videotaping the oral sex act.

On Sunday, July 19, 2015, Espinoza and V1 were again in the guard shack. [REDACTED] was not present because she had been released from the work release program. While in the guard shack, V1 again exposed her bare breasts to Espinoza and stroked his penis over the top of his pants. While V1's breasts were exposed, Espinoza unzipped his pants and pulled out his penis. With his penis exposed, Espinoza rubbed his penis on V1's bare breasts.

On August 5, 2015, at approximately 1030 hours, Detective C. Kirby interviewed [REDACTED]. [REDACTED] was uncooperative but stated she was present during the sexual acts between Espinoza and V1. [REDACTED] stated the sexual acts between Espinoza and V1 were consensual acts by two willing participants. [REDACTED] identified Espinoza and V1 in a still photograph taken from the video of V1 orally copulating Espinoza. [REDACTED] also admitted to receiving a phone call from [REDACTED] approximately 2 weeks prior to the interview during which V1 told [REDACTED] she had lost her job and was currently involved in a lawsuit against the San Bernardino County Sheriff's Department. [REDACTED] stated she did not think Espinoza should get into trouble because everything between V1 and Espinoza was consensual.

CASE SUMMARY

On August 6, 2015, at approximately 1530 hours, Espinoza reported to Sheriff's Headquarters with his attorney, Steve Sanchez. Espinoza declined to give any further statements about the investigation. Espinoza was then booked at CDC for PC 289.6(a)(2) via Ramey Warrant. The arrest and booking were without incident.

On August 6, 2015, at approximately 1700 hours, V1 and her attorney came to Sheriff's Headquarters and were interviewed by Detective C. Kirby and Detective L. Guerra.

V1 met Espinoza on Saturday, June 6, 2015, while working as an out of custody inmate worker at WVDC. Espinoza was the deputy working the guard shack at WVDC and V1 would clean the guard shack when requested by Espinoza. V1's work hours were from 0700 hours to 1450 hours on Saturday and Sundays. V1 claimed all of her contact with Espinoza happened at the guard shack.

On Sunday, June 7, 2015, V1 reported to the guard shack to clean it. [REDACTED]

In the afternoon of the 7th, V1 left her phone in the guard shack to charge while she worked. When she left the phone, Espinoza told V1, he would try not to look at the pictures on her phone. When V1 returned to get the phone Espinoza told V1 he liked her pictures. This indicated to V1 that Espinoza had looked at the pictures on her phone.

On Saturday, June 13, 2015, while working together in the guard shack, V1 was cleaning the computer, Espinoza gently pushed his elbow into V1's breast and asked her for her phone number. V1 felt obligated so she gave Espinoza her cell phone number. Espinoza also told V1 he would try to get a sneak peak of women as they passed the guard shack. Espinoza told V1 he would try to look down women's shirts or look at the panties of women who were wearing skirts. As V1 left that day Espinoza asked V1 not to say anything about what happened.

V1 went into the guard shack bathroom and exposed her bare breasts to Espinoza. Espinoza told V1 she made him aroused.

On Sunday, June 28, 2015, Espinoza, V1 and [REDACTED] were in the guard shack. While in the guard shack working, Espinoza showed [REDACTED] a picture of his exposed penis which was on his phone. Espinoza then asked [REDACTED] to show him her breasts. [REDACTED] showed Espinoza her bra and then quickly showed her bare breasts.

On Thursday, July 2, 2015, V1 went to Glen Helen Rehabilitation Center to request a change of her work release days. V1 asked to change from working Saturday and Sunday to just Sundays. V1 told investigators she did not want to be around Espinoza 2 days each week but still needed to do her commitment so she changed it to 1 day a week. V1 said she lied to the work release staff and said she needed the change due to having to work her normal job on Saturdays.

On Wednesday, August 5, 2015, investigators interviewed SCS S. Uptergrove. Uptergrove is the SCS V1 went to, to change her days. Uptergrove remembered V1's request and said the reason V1 gave to change her days was that she had a friend who was deputy that worked on Sundays and she wanted to work with him.

On Sunday, July 5, 2015, Espinoza, V1 and [REDACTED] were in the guard shack. While in the shack, Espinoza was texting V1 pictures of his exposed penis. Espinoza then tried to touch [REDACTED] breasts. V1 secretly videotaped Espinoza as he tried to touch [REDACTED]

CASE SUMMARY

Espinoza then asked V1 to show him her breasts and she did for approximately 2 seconds. During this time the three were in the guard shack bathroom. Espinoza was standing in the doorway and told V1 and [REDACTED] they needed to get him off before they could leave. V1 felt obligated so she used her hand to stroke Espinoza's penis and then orally copulated him. As this was happening, [REDACTED] recorded the act. As V1 was orally copulating Espinoza a car pulled up to the guard shack making Espinoza stop the act to go and check the car. When Espinoza returned V1 again orally copulated Espinoza. Each oral copulation lasted a few seconds. This recorded event was the recording V1 and her attorney would later provide to the Deputy District Attorney at court.

On Sunday, July 12, 2015, Espinoza and V1 were in the guard shack together. [REDACTED] was not present because she had completed her work release commitment the week prior. While in the guard shack Espinoza texted V1 pictures of V1 orally copulating him. Espinoza again asked V1 to orally copulate him. V1 again felt obligated and orally copulated Espinoza. Again, during the act a car drove up to the guard shack which made Espinoza stop the act. When he returned V1 resumed orally copulating Espinoza. Each oral copulation lasted a few seconds.

On Sunday, July 19, 2015, V1 attempted to avoid Espinoza all day.

During the interview with V1 she stated that Espinoza's forwardness and advancements so soon after meeting him mad her feel obligated to participate in the sexual activity. V1 said that because Espinoza was being so quick to make sexual advancements towards her she did not know what he was capable of and was scared of what would happen if she did not participate.

During the investigation, detectives seized Espinoza's cell phone and completed a forensic analysis. On Espinoza's phone investigators found pictures of V1 orally copulating Espinoza on 2 different occasions and pictures of V1 exposing her bare breasts.

76. SYNOPSIS <p>On Monday, August 3, 2015 at approximately 1300 hours, Victim#1 appeared in court with her attorney requesting a modification of probation. During the court proceedings V1's attorney provided Deputy District Attorney Marbi Burnette with still photographs and a video clip of V1 orally copulating a uniformed San Bernardino County Deputy Sheriff. V1 later identified the deputy as the suspect, Armando Espinoza. V1 is on probation and serves her jail commitment on weekends as part of the San Bernardino County Sheriff's Department Work Release Program. As part of the work release program, V1 is assigned to West Valley Detention Center on the weekends where she works on the front lobby cleaning crew. Espinoza is also assigned to West Valley Detention Center and normally works the front gate. During the months of June and July, 2015, Espinoza would have V1 clean the front gate guard shack where he is assigned. V1 and Espinoza would flirt with each other. Eventually the relationship progressed and the two participated in sexual activity. On 2 separate occasions, V1 orally copulated Espinoza in the guard shack. The oral copulation was captured on cell phone video obtained by investigators. On multiple occasions V1 and Espinoza also exposed themselves to one another.</p>

ASSIGNMENT/ARRIVAL:

On Thursday, August 6, 2015, I was assigned to the San Bernardino County Sheriff's Department Specialized Investigation Division as a detective for the Crimes Against Children Detail. I was temporarily assigned to the Homicide Detail to assist with this investigation under the direction of Sergeant Radeleff.

On Thursday, August 6, 2015, at approximately 1300 hours, Sergeant Radeleff assigned me to review an 8mb scan disk that was recovered from Espinoza's cell phone. The cell phone was recovered from Espinoza during a search warrant that was executed on Wednesday, August 5, 2015. I was assigned to look for files that may pertain to this case.

Homicide Detective Ward was assigned to review files on the cell phone's internal memory. Detective Ward and I concluded many of the files on the scan disk were copies of files that were found on the cell phone's internal memory. At approximately 2000 hours, I marked 106 files from the scan disk containing videos and photographs that may pertain to this case. The marked files were copied and downloaded to a CD. The CD was given to Homicide Detective Walker to be placed into Sheriff's Property as evidence.

BRIEFING:

On Tuesday, August 4, 2015, at approximately 1630 hours, Sergeant J. Radeleff gave investigators a briefing of the circumstances of the case which were known at that time. Those present for the briefing were:

- Lieutenant D. Lupear, San Bernardino County Sheriff's Department, Homicide Detail
- Sergeant J. Radeleff, San Bernardino County Sheriff's Department, Homicide Detail
- Detective M. Walker, San Bernardino County Sheriff's Department, Homicide Detail
- Detective G. Ward, San Bernardino County Sheriff's Department, Homicide Detail
- Detective C. Kirby, San Bernardino County Sheriff's Department, Homicide Detail
- Detective J. Gault, San Bernardino County Sheriff's Department, Homicide Detail

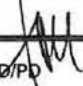

The following is a summary of the briefing given by Sergeant Radeleff.

On Monday, August 3, 2015, Victim #1 (V1) showed up at the Rancho Cucamonga Courthouse with a criminal defense attorney and a civil attorney from the Cochran Law Firm. During the court proceedings, V1 requested to have her work release program assignment changed to a different location.

The Deputy District Attorney assigned to the case, Marbi Burnette, inquired as to why V1 was making the request. V1 and her attorneys provided Burnette with still photographs and a short video clip which showed V1 orally copulating a uniformed deputy sheriff.

The still photographs showed the deputy sheriff exposing his bare penis and a photo of V1 orally copulating the deputy sheriff. The video clip showed V1 orally copulating the deputy sheriff.

At the conclusion of the court proceedings DDA Burnette notified her supervisor, Supervising Deputy District Attorney Terry Brown, of what happened. Burnette also provided Brown a copy of the short video clip, which was provided to her by V1's attorneys. The video was then forwarded to the Sheriff's Department.

INVESTIGATIVE INFORMATION:

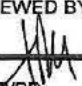

At the conclusion of Radeleff's briefing and using V1's name, I conducted an internet search on the San Bernardino County Court records in an attempt to identify V1. Using V1's name and the date of her court appearance I was able to positively identify V1. A search of law enforcement databases provided investigators with a possible telephone number for V1. Using the telephone number found by investigators Detective C. Kirby called V1 to set up an interview. See supplemental report by Detective C. Kirby for detailed information regarding her contact with V1.

Once V1 was positively identified, investigators contacted the San Bernardino County Sheriff's Department Administrative Support Unit (ASU) in an attempt to locate where V1 is assigned as part of the San Bernardino County Work Release Program. Sergeant Minard from ASU notified investigators V1 was assigned to the front lobby cleanup crew at West Valley Detention Center located at 9500 Etiwanda Avenue in the City of Rancho Cucamonga.

In an attempt to identify the deputy sheriff shown in the video clip Sergeant J. Radeleff and I went to the West Valley Detention Center and met with the facility commander, Captain J. Rose, and the facility executive officer, Lieutenant D. Gould. Radeleff and I briefed Capt Rose and Lt. Gould on the circumstances of the case and showed them the video clip.

Based on her knowledge of the staff at West Valley Detention Center, Lt. Gould believed the deputy pictured in the video was Deputy Sheriff Armando Espinoza, DOB [REDACTED]. Lt. Gould was not one hundred percent positive it was Espinoza in the video but while viewing the video investigators noticed Espinoza's duty belt had a specific order of items and he was wearing a distinctive silver watch.

On Tuesday, August 4, 2015, at approximately 1930 hours, Lt. Gould attended the PM shift briefing at West Valley Detention Center where Espinoza was reporting for duty. Based off of Lt. Gould's knowledge of the video, the specific order of items on the duty belt and the silver watch Lt. Gould positively identified Armando Espinoza as the subject depicted in the video.

INVESTIGATIVE INFORMATION (cont.):

Gould was also able to identify the location of the incident shown on the video occurred at the West Valley Detention Center guard shack located on the east end of the property near Etiwanda Avenue. Gould provided investigators with shift rosters showing Espinoza was assigned to the guard shack during the months of June and July 2015.

While Sergeant Radeleff and I were obtaining the information from Lt. Gould, Detective C. Kirby was on the telephone with V1. During Kirby's interview with V1, V1 also identified the suspect in the video as Deputy Sheriff Armando Espinoza.

Telephone Interview: V1 and Jennifer Bandlow

(The victim will be referred to as V1 throughout this report pursuant to Penal Code section 293(a) and Government Code section 6254(f) for confidentiality purposes.)

On Tuesday, August 4, 2015, at approximately 2025 hours, V1 and her attorney, Jennifer Bandlow contacted me on a three way conference call. I conducted a brief interview with V1 regarding her contact with Deputy Armando Espinoza. I digitally recorded the interview, later downloaded it onto a CD and placed it with the case file. The following is a summary of the interview.

V1 identified the deputy involved with her in sexual acts as Armando Espinoza. V1 explained she worked with Espinoza approximately nine to ten times while she was assigned to her weekend work release program at West Valley Detention Center.

While Espinoza was around V1 he asked her for her cellular telephone number. V1 gave Espinoza her phone number and they began texting. V1 and Espinoza only spoke via text messaging.

During the nine/ten days V1 was in contact with Espinoza she performed the sex act of oral copulation on two separate occasions. Espinoza also put his mouth on V1's bare breast on five different occasions. No other sex acts occurred between V1 and Espinoza. All sexual acts with Espinoza and V1 took place in the guard shack on the West Valley Detention Center Facility premises. V1 and Espinoza never met off of the facility for any reason.

V1 had no additional information at this time and I concluded the interview.

SUSPECT INTERVIEW - ESPINOZA, ARMANDO:

On Tuesday, August 4, 2015, at approximately 2108 hours, Detective G. Ward and I interviewed Armando Espinoza in an administrative office at the West Valley Detention Center. The interview was digitally recorded. A copy of the recording is included with this report. The following is a summary of my interview with Espinoza.

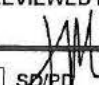

Prior to the interview, I informed Espinoza we wanted to interview him about his relationship with Victim #1 (V1). I explained his participation in the interview was voluntary and he did not have to participate if he did not want to. I also informed Espinoza he would not be disciplined in anyway if he chose not to be interviewed. Espinoza stated he understood and voluntarily provided a statement.

Espinoza is a Deputy Sheriff employed by the San Bernardino County Sheriff's Department. Espinoza has been employed with the Sheriff's Department for approximately 8 years and has been assigned to the West Valley Detention Center since becoming a deputy. Espinoza had orders to be transferred to the Highland Sheriff's Station on Saturday, August 8, 2015.

Espinoza's current job assignment at the West Valley Detention Center is working the facility guard shack. The guard shack is located on the east end of the property near Etiwanda Avenue. The guard shack has only been open for approximately three months. Espinoza has been primarily assigned to the guard shack since it opened. Espinoza's shift assignment was dayshift on Saturday, Sunday, Monday, and every other Tuesday.

The guard shack is an armed position, meaning Espinoza wears his full uniform, duty belt and firearm while working. Espinoza's duties while working the guard shack is to check all vehicles and pedestrians entering the West Valley Detention Center property. The entrance where the guard shack is located is the only entrance and exit point on the property.

Espinoza first met V1 and [REDACTED] while working dayshift in the guard shack in July of 2015. Espinoza could not remember the exact date, but believed his first encounter with V1 and [REDACTED] was on a Sunday in July. V1 and [REDACTED] are inmate workers assigned to the

work release program at West Valley Detention Center. Espinoza did not know what crimes V1 or [REDACTED] were serving weekends for but did acknowledge they were work release workers.

As Espinoza and I were talking about V1 and [REDACTED] duties on work release, Espinoza asked if he was the subject of an Internal Affairs investigation. I explained to Espinoza, I was not with Internal Affairs and I was investigating allegations of sexual conduct between Espinoza and V1. Espinoza asked if I thought he should get a union representative to be present during the interview. I explained to Espinoza I could not make that decision for him. Espinoza told me he understood and continued to give me a statement.

On an unknown Sunday in July 2015 at approximately 1300 hours, V1 and [REDACTED] came to the guard shack where Espinoza was working. V1 and [REDACTED] were tasked with cleaning the guard shack for Espinoza. V1 and [REDACTED] would sweep, mop, and take out the trash in the guard shack. It is not uncommon for V1 and [REDACTED] to come to the guard shack while they were working. In addition to their cleaning duties, V1 and [REDACTED] would hang out in the guard shack because it is air conditioned and provided an escape from the summer heat.

While cleaning the guard shack, Espinoza, V1, and [REDACTED] talked to each other. Espinoza stated he, V1 and [REDACTED] flirted with each other. V1 and [REDACTED] were both in possession of their personal cell phones and showed each other pictures of themselves posing in various positions, both clothed and topless. Eventually V1 and [REDACTED] showed Espinoza the pictures contained on their phones.

After showing Espinoza the pictures, V1 and [REDACTED] asked Espinoza to take a picture of his penis. Espinoza removed his penis from inside his pants and used his cell phone to take a picture in the presence of V1 and [REDACTED]. Espinoza then sent V1 the picture of his penis via text message. V1 had provided Espinoza her phone number for the picture to be sent. Espinoza regretted taking the picture because he knew it was wrong and he "did not want anything like this to happen."

After taking and sending the picture of his penis, Espinoza also took a picture of V1 exposing her bare breasts. Espinoza then sent the picture to V1 via text message along with another old picture of his penis he stored on his phone. All of the pictures sent to V1 were at her request. For the picture to be taken, V1 lifted up her shirt and unbuttoned her bra to expose her breasts for the picture. Espinoza grabbed V1's breasts while they were exposed. Espinoza said V1 had a recent boob job and she wanted Espinoza to feel how real her breasts still felt. While Espinoza was grabbing V1's breasts, V1 lowered herself down towards Espinoza's groin and grabbed his penis, which was still exposed, and rubbed it on her breasts.

After exposing her breasts, V1 again grabbed Espinoza's penis which was exposed and used her hand to stroke it. After stroking Espinoza's penis V1 orally copulated Espinoza for no more than a few seconds. During the oral copulation, Espinoza was nervous and looking around to ensure he did not get caught. Espinoza said he ended the oral copulation because he did not want to get caught.

While V1 was orally copulating Espinoza, [REDACTED] had her cell phone out and recorded the acts between Espinoza and V1. Espinoza was not positive [REDACTED] recorded the acts but he had a feeling she was. According to Espinoza, [REDACTED] flirted with him but she never participated in any of the sexual acts.

All of the sexual acts between Espinoza and V1 took place in the guard shack bathroom. Inside the bathroom, V1 sat on a chair which Espinoza had put in the bathroom to get it out of the way while he worked in the guard shack. Espinoza said it is not uncommon for the chair to be in the bathroom. [REDACTED] was also in the bathroom but was in the corner near the toilet.

Other than the pictures of Espinoza's penis and V1's breasts, Espinoza claimed he had only 1 other text message conversation with V1. Espinoza had sent V1 a text message when she did not show up for her normal work shift at West Valley Detention Center asking where she was.

SUSPECT INTERVIEW – ESPINOZA, ARMANDO (continued):

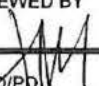

On the following Sunday still in the month of July 2015, V1 again came to the guard shack where Espinoza was working to clean. This time [REDACTED] was not present. Espinoza believed [REDACTED] had completed her work release commitment.

While in the guard shack V1 walked by Espinoza and rubbed his penis through his uniform pants. After rubbing Espinoza's penis V1 left the guard shack and did not return. V1 told Espinoza she had to stay in the lobby.

Espinoza could only remember one time V1 orally copulated him. Espinoza thought V1 wanted to take the sexual contact between them further and have sexual intercourse but he would not do it. Espinoza said he felt that way because of the way V1 rubbed his penis on the Sunday after she orally copulated him. Espinoza said the relationship between them was purely sexual and they did not have romantic feelings for each other.

While interviewing Espinoza we used a calendar in an attempt to identify the dates the sexual acts occurred. Using the calendar Espinoza believed the oral copulation took place on July 12, 2015. Espinoza believed the 12th was [REDACTED] last day of work release. The following Sunday, July 19, 2015, was the date Espinoza believed V1 touched his penis through his uniform pants. Espinoza was not positive on the dates.

At this point in the interview Espinoza had made incriminating statements about his sexual activity with V1. Espinoza was again informed we were conducting the criminal investigation into those illegal acts and our report would go to the District Attorney. Because of the statements made by Espinoza I informed him we were going to advise him of his Miranda rights before proceeding any further. The following is the Miranda Warning I read Espinoza from my San Bernardino County Sheriff's Department Miranda Warning card.

Espinoza, V1 and [REDACTED] then went into the bathroom of the guard shack. While in the bathroom V1 exposed her bare breasts to Espinoza. SUSPECT INTERVIEW – ESPINOZA, ARMANDO (continued):

pants. V1 then exposed her bare breasts to Espinoza in the guard shack bathroom. While V1 was exposing her breasts Espinoza exposed his penis. V1 then grabbed Espinoza's penis and rubbed it on her exposed breasts and then the encounter stopped.

Espinoza did not remember why the encounter with V1 stopped or what was said leading up to it stopping. Espinoza did remember telling V1 that day that he was going to be switching shifts and would not be around anymore. V1 did not say anything but "ok" when Espinoza told her about switching shifts.

Espinoza said he was nervous and was always nervous when he was having this type of sexual activity with V1. Espinoza admitted the choice he made was "stupid."

Other than sending V1 the illicit pictures and asking her if she got a new phone via text message, Espinoza denied ever having any contact with V1 on the phone or text conversations.

I asked Espinoza to divulge any other sexual activity he had with V1 or [REDACTED] Espinoza said he was trying to be as honest as he could be and did not remember any other contact with V1. Espinoza said he had trouble recalling the specific details of each encounter and did not want to say anything that was untruthful.

At the end of the interview I also showed Espinoza a still photograph taken from the video investigators obtained from V1. The photograph showed Espinoza standing next to V1 just before the oral copulation. Espinoza positively identified himself and V1 as the people in the picture.

This concludes Espinoza's statement.

SEARCH WARRANTS:

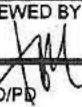

Armando Espinoza

On Tuesday, August 4, 2015, Detective C. Kirby authored a search warrant for Armando Espinoza's work locker, his personal vehicle, his cell phone and his person. The search warrant was signed by the Honorable Judge S. Reichert.

Pursuant to the search warrant investigators searched Espinoza's locker. No items of evidentiary value were located in Espinoza's locker.

Pursuant to the search warrant investigators searched Espinoza's vehicle. Two items of evidentiary value were seized from the vehicle. The items were two developed photographs. The photographs were explicit in nature and showed women exposing their bare breasts in a bar setting. Espinoza explained the photographs were of his ex-wife and were taken around 2001 or 2002.

Pursuant to the search warrant investigators processed Espinoza and seized several items from his person. Investigators collected Espinoza's tan uniform shirt and green pants, his law enforcement Sam Brown duty belt, his HTC cell phone (serial # [REDACTED]), his silver watch and collected reference DNA swabs from his mouth. All of the items seized during the search warrant were collected and processed as evidence at Sheriff's Headquarters. A secured employee parking lot is positioned between the guard shack and the administration building. SCENE (continued):

The guard shack is a light tan building with a blue metal roof, approximately 8' by 16' and is oriented east and west. The guard shack consists of two rooms; a sitting area for the guard and a restroom. The sitting area for the guard has a small table space with a computer, a chair, two sliding metal doors that lead to the north and south driveway access, and a metal sliding door that leads to a restroom. A second small desk with a telephone and coffee maker is located near the restroom door. The restroom contains a toilet, sink and storage lockers.

On Tuesday, August 4, 2015, at approximately 2358 hours, I accompanied Crime Scene Specialist Carol Fostore to the guard shack for processing. The crime scene was checked for identifying features seen in the evidence video, as well as the presence of physical evidence. Fostore took numerous digital photographs. The scene was searched with the use of standard lighting and alternate light sources. Alternate light sources are used to detect the presence of fluids otherwise less visible. A specific check for semen was conducted.

SCENE (continued):

The search of the guard shack was negative for visible physical evidence. Through use of the alternate light sources, Fostore identified three small areas that produced a different florescence than their surroundings. Fostore was unable to identify the substances by visual inspection. Samples were collected from each of the small affected areas. Fostore submitted the samples to be analyzed by the Sheriff's Crime Lab.

The samples were labeled, A-1, A-2 and A-3. Sample A-1 was collected from the outer portion of the restroom door, approximately 8 inches above the door handle. A-2 was collected from the outer frame of the restroom door, approximately 6 inches above the door handle when the door is in the closed position. A-3 was collected from the center portion of the inside restroom door, approximately level with the lower portion of the door handle.

At the time of my check, a black office chair was inside the guard sitting area of the guard shack. I recognized the office chair to be the same chair seen in the evidence video, being used by Victim 1 during the crime. At the time of the crime, the chair was inside the restroom, between the sink and restroom door. The chair checked negative for evidence with standard and alternate light sources.

The following image shown here was taken from the approximate perspective of the video of the crime. The chair inside the guard area was moved to the restroom for comparison with the chair seen in the video.

INVOLVED PARTY INTERVIEW: Marbi Burnette

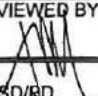

On Wednesday, August 5, 2015, at approximately 1543 hours, I conducted an interview with Deputy District Attorney Marbi Burnette at the Rancho Cucamonga Court House, in an office on the 4th floor. The interview was digitally recorded. The following is a summary of that interview:

On Monday, August 3, 2015, at approximately 1300 hours, Burnette was assigned as the Deputy District Attorney for Courtroom 20, at the Rancho Cucamonga Court House. Courtroom 20 covers pre-trial for misdemeanor crimes.

While in her office near the courtroom, Burnette was approached by a man who identified himself as the criminal defense attorney for Victim 1. Burnette did not recall the attorney's name, but knew he worked for the Cochran Law Firm out of Los Angeles.

The attorney told Burnette, Victim 1's case was due for a modification review that day. Burnette was not familiar with Victim 1's original case and was not involved in the original prosecution. As a result of the initial prosecution, Victim 1 pled guilty to violation of HS11377 and was sentenced to a sixty day work release program. Victim 1's original charge was violation of PC4573, bringing a controlled substance into a jail; however, as a term of a plea agreement, Victim 1 plead guilty to a lesser charge of HS 11377, possession of a controlled substance. At the time of her initial conviction, Victim 1 was represented by a public defender. As of August 3, 2015, Victim 1 had completed eleven days of her sixty day sentence.

The attorney advised Burnette, Victim 1 was seeking a modification of her probation terms. Victim 1 was not requesting a reduction in the amount of days, but was asking to be moved to a different work release location. Burnette questioned the attorney why Victim 1 wanted to change her work release location. Victim 1 wanted to change work locations because of misconduct by a deputy assigned to her current work release location.

INVOLVED PARTY INTERVIEW (Continued): Marbi Burnette

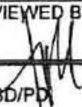

A second attorney from the Cochran Law Firm arrived and identified himself as a civil attorney. Burnette could not remember the name of the civil attorney. The two attorneys told Burnette they had photographic evidence showing the inappropriate contact between Victim 1 and the Deputy Sheriff. The criminal attorney produced a folder that contained three digital photographs that were printed on 8 1/2" x 11" paper.

Burnette vividly recalled two of the three pictures. She described the first picture as a photograph of an adult male's penis being held in the male's hand. The image appeared to have been taken by the person holding his penis. Burnette could not recall if any portion of the male's clothing was visible.

Image two was described as a photograph of a uniformed Deputy Sheriff with his erect penis exposed and partially in the mouth of Victim 1. Victim 1's shirt was lifted exposing her breasts. Victim 1 was wearing a stripped blue, pink and white shirt with a black bra. The image was taken from a perspective above Victim 1's head and appeared to have been taken by the Deputy Sheriff. The image showed the Deputy's green pants, tan shirt and black leather duty belt. The attorney clarified the images were taken by the Deputy Sheriff and sent to Victim 1's cell phone via picture message.

Burnette went to her office and retrieved Victim 1's case file and returned to Courtroom 20 along with Victim 1 and her two attorneys. San Bernardino County Superior Court Judge James Hosking presided over the modification of probation hearing. The hearing took place at approximately 1330 hours inside Courtroom R20. Court records indicate Victim 1's criminal attorney is Richard Barnwell.

Barnwell advised Judge Hosking, Victim 1 wanted to serve the remainder of her work release sentence at a different facility. The attorney requested a site move for Victim 1 or electronic monitoring. Judge Hosking asked why the modification was being requested. Barnwell advised Hosking, Victim 1 wanted to get away from a Deputy Sheriff who had acted inappropriately. Victim 1 had photographic evidence of the misconduct by the Deputy Sheriff. Barnwell offered to show Hosking the photographs, but the Hosking declined.

INVOLVED PARTY INTERVIEW (Continued): Marbi Burnette

Hosking called Barnwell and Burnette to the bench for a discussion. Hosking asked Burnette if she would agree to the modification of probation, but clarified, the court could not control where the Sheriff's Department assigned Victim 1. Burnette agreed and said she would be open to a modification of the probation. Hosking then modified the terms of Victim 1's probation. Hosking ordered Victim 1's sixty day sentence with credit for time served of two days to be suspended for the remainder of her probation, pending successful completion of the term. Victim 1 agreed with the modification of the terms and conditions of her probation.

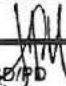

Following the hearing, Burnette returned to the hallway along with Victim 1 and her two attorneys. Victim 1 sat on a bench near the District Attorney's Office as Burnette spoke with the two attorneys.

Burnette recognized a crime was committed by the Deputy Sheriff. Burnette asked if the crime had been reported. The attorneys asked Burnette if the District Attorney's Office wanted to take a report for the crime.

Burnette was not sure if the District Attorney or the District Attorney Investigators would take the report. Burnette asked the attorneys to wait while she sought guidance from her supervisor. Burnette went to her office and attempted to contact her division chief. The division chief was not inside the Rancho Cucamonga Courthouse at the time, but was across the street in a nearby District Attorney's building. Burnette returned to the lobby area with the Attorneys.

When Burnette returned, one of the attorney's produced a cellular phone and told Burnette there is a video clip of one of the sexual encounters between Victim1 and the Deputy Sheriff. The attorney played the video on the cellular phone.

Burnette saw a short video clip depicting a uniformed Deputy Sheriff removing his erect penis from his pants, while standing in a doorway. Victim 1 was seated directly in front of the Deputy and proceeded to touch the Deputy's penis with her hand and place her mouth on the penis. The video clip did not appear to have been recorded by the Deputy or Victim 1.

INVOLVED PARTY INTERVIEW (Continued): Marbi Burnette

Burnette recalled Victim 1 saying something along the lines of, "so you can go do it to her" before putting her mouth on the deputy's penis. The deputy appeared to be looking over his shoulder. Victim 1 was wearing a bright colored inmate worker vest.

After viewing the short video clip with the attorneys, Burnette asked the attorney if he would forward the video to her work email address. The attorney turned to Victim 1 and asked if she would be okay if they forwarded the video. Victim1 agreed. The attorney then forwarded the video clip to Burnette.

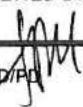

Burnette told Victim 1 and her attorneys, she would be forwarding the information to her supervisors. Someone would be in contact with the attorneys in the near future.

One of the attorneys mentioned there were at least two females victimized by the Deputy; one of the females would not come forward because she was married. Burnette was not sure if the attorney was referring to a third female or if the second female was Victim 1. Victim 1 and her attorneys left the building.

Burnette did not immediately recognize Victim 1 to be the same person in the still images or short video. Victim 1's hair color had changed to a [REDACTED] since the images were taken.

Burnette returned to her office and contacted her supervisor, Supervising District Attorney Bruce Brown. Brown advised Burnette to email him a summary of the incident and he would be contacting the District Attorney's Bureau of Investigations. A short time later, members of the District Attorney's Bureau of Investigation arrived and copied the digital video from Burnette's email, onto a disc for evidence. Burnette showed District Attorney Supervisors Bruce Brown and Bob Bullock the short video clip. Burnette ended her shift and went home for the evening.

On the morning of Tuesday, August 4, 2015, Burnette sent text messages to her supervisors Terry Brown and Bruce Brown summarizing the incident. Supervisor Terry Brown advised Burnette to email Assistant District Attorney Gary Roth a summary of what occurred. Burnette did so that morning.

INVOLVED PARTY INTERVIEW : Sherrie Uptergrove

On Wednesday, August 5, 2015, at approximately 1134 hours, I conducted an interview with Sheriff's Custody Specialist Sherrie Uptergrove at the Glen Helen Rehabilitation Center Work Release office. The interview was digitally recorded. The following is a summary of that interview:

Uptergrove is a Custody Specialist assigned to the Out of Custody Programing Detail. On Monday, July 27, 2015, Victim 1 came to the Work Release front counter and requested a reinstatement and a day change. Victim 1 said she missed her work release assignment at West Valley Detention Center on Sunday, July 26, 2015. Victim 1 did not provide a reason why she missed July 26, 2015, but asked to reinstate and change her days.

Uptergrove asked Victim 1 why she wanted to change her days. Victim 1 said she wanted to change days because she is friends with a deputy and wanted to work with that deputy. Victim 1 did not tell Uptergrove the deputy's name. Uptergrove told Victim 1 something to the effect of, "We're not sending you to crew sites to make friends" and "we are not moving you to be with friends." Uptergrove told Victim 1 she would not be allowed to change her work days on a Monday. Victim 1 was told to return Tuesday through Thursday, when work release day changes are handled. Victim 1 walked away and has not returned to work release since. Uptergrove confirmed, as of August 4, 2015, Victim 1 has not returned to request a day change.

Uptergrove described Victim 1's demeanor as somewhat slow. Uptergrove had to repeat herself several times to Victim 1 before Victim 1 seemed to understand. Uptergrove assumed Victim 1's behavior was likely caused by a history of drug abuse. Uptergrove did not recognize Victim 1 as being under the influence at the time.

In the early afternoon of August 4, 2015, the supervisor of the Out of Custody Programing Detail, Sergeant Jon Minard, asked Uptergrove to retrieve the booking jackets for Victim 1 and [REDACTED]. Uptergrove told Minard, she remembered meeting with Victim 1 on July 27, 2015. Uptergrove told Minard about the conversation she had with Victim 1.

On Wednesday, August 5, 2015, at approximately 1140 hours, Detective J. Gualt and I interviewed [REDACTED]. I digitally recorded the interview, downloaded it onto a CD and later placed it with the case file. The following is a summary of the interview.

[REDACTED] was aware of inappropriate behavior between a deputy sheriff and a weekend work release female, later identified as [REDACTED]. [REDACTED] was under the impression [REDACTED] and Espinoza had each others cellular phone numbers and text messaged each other. [REDACTED] does not know the deputies name, however; when I showed [REDACTED] a still photograph of Armando Espinoza, she identified him as the deputy who was involved.

[REDACTED] told me she did not want to press charges against Espinoza for any reason. [REDACTED] did not want to be involved in the investigation, however; [REDACTED] said the interaction between [REDACTED] and Espinoza was not forced. [REDACTED] believed what she witnessed was consensual. [REDACTED] did not want to discuss what she witnessed. [REDACTED] made a reference to a cellular phone video as being the incident she witnessed.

Approximately two weeks ago, [REDACTED] contacted [REDACTED] and told [REDACTED] she lost her job and was filing a lawsuit against the Sheriff's Department. WITNESS INTERVIEW:

On Tuesday, August 11, 2015 at approximately 1307 hours, Detective C. Kirby and I interviewed [REDACTED] at her work in Rancho Cucamonga. The interview was digitally recorded. A copy of the recording is included with this report. The following is a summary of the interview.

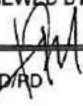

At the beginning of the interview Kirby asked [REDACTED] if she had any additional information to provide investigators from the last time Kirby contacted her. [REDACTED] stated she had said everything during the first interview and again reiterated her desire to not be involved in the investigation. [REDACTED] said if she were subpoenaed to court she will give a full statement but she does not want to be involved.

[REDACTED] said all of the sexual acts she witnessed between V1 and Espinoza were consensual. When [REDACTED] was present she never saw anyone forced to do anything they didn't want to. [REDACTED] said if anyone was saying something otherwise it would be wrong. [REDACTED] and V1 did have a conversation during which V1 told [REDACTED] she believed Espinoza was using V1 to hook up with [REDACTED] but she never mentioned it wasn't consensual.

During the interview [REDACTED] did admit to videotaping some of the contact between V1 and Espinoza. [REDACTED] claimed all of the content on her phone which showed V1 and Espinoza had been erased because she did not want anyone else to see it.

[REDACTED] said she is not friends with V1 and they have very limited contact. Since meeting through the work release program, [REDACTED] and V1 have exchanged a few text messages about going to breakfast or casually meeting up.

A few weeks prior to the incident, and seemingly out of the blue, V1 called [REDACTED]. During the call, V1 told [REDACTED] she had lost her job and started to tell [REDACTED] about her lawsuit against Espinoza. [REDACTED] questioned V1's motives because she did not agree. [REDACTED] would not go into specifics but agreed to be interviewed at a later time.

WITNESS INTERVIEW (continued): [REDACTED]

I informed [REDACTED] that her phone was still going to be taken, pursuant to a search warrant, and downloaded. [REDACTED] voluntarily provided me her phone and was given a copy of the search warrant.

On Tuesday, August 11, 2015 at approximately 1915 hours, I met with [REDACTED] at her work in Rancho Cucamonga to return her cell phone. The contact with [REDACTED] was digitally recorded. The following is a summary of my contact with [REDACTED]

During my second contact with [REDACTED] I asked her if Espinoza had tried to inappropriately touch her breasts. [REDACTED] said Espinoza did approach by walking up to her, but she told him she had a boyfriend and he left her alone. [REDACTED] said Espinoza never sexually touched her.

[REDACTED] stated she knew V1 had gone to Glen Helen Jail to change her work release days. V1 told [REDACTED] she was trying to change from work release to house arrest. V1 did not tell [REDACTED] why she wanted to change.

I asked [REDACTED] if V1 ever told her they needed to record Espinoza while the sexual acts occurred because no one would believe them. [REDACTED] said V1 never made any statement like that. [REDACTED] said when V1 called her and informed her she was going to file a law suit because she felt the deputy used his "authority" to make V1 participate in the sexual activity [REDACTED] did not agree. [REDACTED] told V1 she did not agree and everything she saw was inappropriate but was consensual. [REDACTED] told V1 she never saw Espinoza use his "authority" to make her do anything and she did not want any part of the law suit.

[REDACTED] was very upset that V1 was making something up that did not happen. [REDACTED] felt what V1 was doing was wrong and although she knew the behavior was inappropriate she did not think it was forced. [REDACTED] said she never saw this coming on V1's part.

This concludes [REDACTED] statement.

Notes: HI-TECH CRIME DETAIL – SUPPLEMENTAL REPORT

ASSIGNMENT:

On Tuesday, August 11, 2015, I initiated a forensic examination of one (1) cell phone which was seized by the San Bernardino Sheriff's Department, Homicide Detail. Detective M. Walker submitted the device to the Hi-Tech Crime Detail for analysis.

ELECTRONIC STORAGE DEVICE (ESD) REQUEST FORM:

An ESD Request Form was submitted with the device. I saved a copy of the ESD Request Form within the "01 Evidence Images" folder on the HTCD evidence disc.

PHOTOGRAPHS:

I photographed the device prior to my examination. I saved the photographs within the "01 Evidence Images" folder on the HTCD evidence disc.

DATA ACQUISITION:

DEVICE 1 – APPLE IPHONE 6 PLUS (A1524) – SPRINT WIRELESS – CELL PHONE:

Device 1 was an Apple iPhone 6 Plus cell phone, gray in color. Device 1 had a SIM Card slot with an inserted SIM Card. Device 1 did not have an external memory card slot and no external memory cards were submitted with Device 1.

I used Micro Systemation XRY Forensic Software version 6.14 to conduct a logical data acquisition of Device 1's internal memory and Device 1's SIM Card. The data acquisitions created evidence files for use by the forensic software.

I saved the evidence files as "Device 1 Apple iPhone 6 Plus TD-LTE (A1524).xry" and "Device 1 SIM Card.pdf" within the "02 Evidence Files" folder on the HTCD evidence disc. The evidence files can be opened and reviewed using "XRY.exe" which was also saved within the "02 Evidence Files\XRY_Reader" folder on the HTCD evidence disc.

EVIDENCE FILES REVIEWED:

I conducted a review of the evidence files "VIDEOS" and "PICTURES" sections and files which appeared relevant to the investigation were marked as important within the forensic software package for case agent review. I also conducted a search for [REDACTED] and [REDACTED] but there were no matches.

EXAMINATION REPORTS:

I exported only the items marked as important within Device 1's evidence files as viewable reports in .pdf form and saved the reports as "Device 1 Apple iPhone 6 Plus TD-LTE (A1524).pdf" and "Device 1 SIM Card.pdf" and within the "04 Device Reports" folder on the HTCD evidence disc to simplify printing each report. The items not marked as important are still located within the evidence file and can be viewed and reviewed through the XRY Reader as described above.

LOCATION DATA:

Using the XRY forensic software evidence file, I exported all items containing location data from each device and saved the exported data within the "03 Location Data" folder on the HTCD evidence disc. These files can be opened and reviewed using Google Earth.

DISPOSITION:

Forward the HTCD evidence disc to the case agent for review.

CELLULAR TELEPHONE REVIEW:

On Thursday, August 6, 2015, I conducted a review of the information obtained during a Search Warrant service on Armando Espinoza's HTC One, cellular telephone. Detective Dan Helmick of the Sheriff's Hi-Tech Crimes Detail downloaded the digital contents of Espinoza's phone and provided me a copy for examination. The following is a summary of what was located on the phone:

Sheriff's Hi-Tech Crimes Detail used a software program called XRY to categorize the contents of the phone. The XRY software categorized a total of approximately 13,911 digital images, 293 videos, and 131 sound files on the phone itself. I examined each file on the phone. After reviewing the content, approximately 265 of the digital images and 2 of the video files were identified as relevant to this criminal investigation. A second report was prepared for the phone's SD card. Detective Jacob Gault examined the SD card's XRY file and prepared an additional supplemental report.

The image files contained numerous digital photographs of Espinoza's penis in various stages of arousal, while wearing a San Bernardino County Deputy Sheriff uniform. There are numerous images of at least two women wearing San Bernardino County Work Release Inmate vests. Victim 1 and [REDACTED] can be clearly seen in several of the images.

A sequence of photos depicted Victim one exposing her breasts. The sequence of photos were time stamped, July 12, 2015, from approximately 0923 to 1054 hours. A second sequence of photos showed Victim 1 performing oral copulation on Espinoza, while Espinoza was wearing a Deputy Sheriff uniform. The sequence of photos were time stamped, July 12, 2015, from 1256 to 1304 hours.

The video files selected as relevant to this criminal investigation contained a short video of Espinoza receiving oral copulation from a woman, while seated in a vehicle, dressed in his Deputy Sheriff uniform. The woman is wearing a blue "Direct TV" polo shirt. The video metadata shows it was submitted into a hidden file vault, on Espinoza's phone, on December 2, 2014, at approximately 0718 hours UTC. Still images with the same date stamp, showed the same woman wearing a nametag displaying the name [REDACTED]

CELLULAR TELEPHONE REVIEW: CONTACTS

On Thursday, August 6, 2015, I conducted a review of the information obtained during a Search Warrant service on Armando Espinoza's HTC One, cellular telephone. Detective Dan Helmick of the Sheriff's Hi-Tech Crimes Detail downloaded the digital contents of Espinoza's phone and provided me a copy for examination. The following is a summary of the contacts located on the phone:

Sheriff's Hi-Tech Crimes Detail used a software program called XRY to categorize the contents of the phone.

During the initial interview with Armando Espinoza, Espinoza said he saved Victim 1's contact information under the name [REDACTED]. Espinoza's intention was to hide the information under a relative's name.

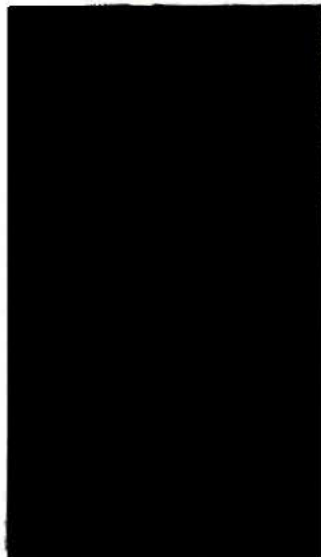

A check of the contents on the phone showed a contact for [REDACTED]. The contact had two phone numbers associated. Both numbers were confirmed as belonging to Victim 1.

A check of the call history stored on the phone showed two missed calls from Victim 1 on Sunday, July 5, 2015. The first miss call was at approximately 0727 hours (corrected time from UTC). The second missed call was at approximately 1846 hours (corrected time from UTC).

Interview: V1

On Thursday, August 6, 2015, at approximately 1703 hours, Detective L. Guerra and I conducted an interview with V1 at the San Bernardino County Sheriff's Department, Specialized Investigations Division. V1 requested her civil attorney, Jennifer Bandlow, be present during the interview. The interview was video and audio recorded. I downloaded the recording onto a CD and later placed it with the case file. The following is a summary of the interview.

During a recent court appearance for a previous case, V1 agreed to a 60 day commitment, which equaled 30 days in a work release program. V1 signed up for her work release program at Glen Helen Rehabilitation Center and was told by staff she would be serving her commitment at West Valley Detention Center (WVDC).

Saturday, June 6, 2015, was V1's first day at WVDC. V1 arrived at WVDC and checked in. This process included completing a fingerprint check in. Staff provided V1 a safety vest to wear while on the facility.

On Saturday, V1 worked with another work release inmate, [REDACTED] (unknown last), who showed her what her duties were. V1's duties included cleaning the lobby area of visiting and the guard shack. [REDACTED] and V1 cleaned the lobby area and after an hour, they left to clean the guard shack. On Saturday, June 6, 2015, V1 met Armando Espinoza for the first time while she cleaned the guard shack.

V1 and Espinoza had "normal" conversation on June 6, 2015, including how long she was going to be at WVDC completing her commitment. V1 described "normal conversation" to be nothing out of the ordinary. After [REDACTED] and V1 cleaned the guard shack they went back to the visiting lobby. [REDACTED] and V1 went to lunch at 1100 hours and returned at 1200 hours to finish their day. There was no additional contact with Espinoza on June 6.

On Sunday, June 7, 2015, V1 arrived at WVDC and completed the fingerprint check in. V1 cleaned the visiting lobby area and then walked down to the guard shack to clean. [REDACTED] and

Espinoza were already in the guard shack. [REDACTED]

[REDACTED] Shortly after the conversation ended, V1 left the guard shack and went to lunch. V1 returned to the guard shack after lunch and asked Espinoza if she could charge her cellular telephone on the charger in the guard shack while she returned to the visiting lobby to clean. Espinoza allowed her to charge her phone. As V1 was leaving, Espinoza told V1, "I'll try not to look at your pictures." V1 thought the statement was out of the ordinary, however; she shrugged it off.

When V1 returned to the guard shack to get her cellular phone, Espinoza made the comment that he liked her pictures. V1 asked Espinoza if he looked at her pictures because she did not have a screen lock on her phone. Espinoza just smiled at V1 and did not answer the question. V1 left for the day.

On Saturday, June 13, 2015, V1 arrived at WVDC and completed her fingerprint check in process. V1 cleaned the lobby and proceeded to walk down to the guard shack to clean. [REDACTED] was in the guard shack with Espinoza prior to V1 arriving to the guard shack.

While V1 and [REDACTED] were in the guard shack, Espinoza talked about getting a "sneak peek" at women who were driving into the facility. All vehicles have to stop at the guard shack and check in with the deputy assigned there. Espinoza told V1 and [REDACTED] some women are wearing short skirts or low cut tops and referred to getting a "sneak peek" at their under garments. Espinoza also told [REDACTED] that he liked all types of women. Espinoza showed V1 and [REDACTED] a picture of a black female adult chaining him to a wall.

████ left the guard shack to go to the visiting lobby. V1 stayed in the guard shack because she cleaned the floors and the floors were still wet. Per policy inmate workers have to stay and wait until the floors are dry because there is a liability for the facility if they leave and someone slips and falls.

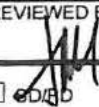

V1 continued to clean the guard shack. V1 was cleaning the desk area near the computer. Espinoza walked up to V1, stood to the right of her. V1 felt Espinoza was in her personal space. Espinoza moved his left elbow and brushed up against V1's right breast, simultaneously asking for her phone number. V1 did not feel the touching was an accident. V1 felt uncomfortable. V1 felt the situation was evolving very fast.

V1 felt obligated to give Espinoza her phone number. V1 felt confused and felt it was odd that Espinoza felt comfortable with her so quickly and this made her feel obligated to give Espinoza her phone number. V1 began to wonder what Espinoza was capable of because he was already asking for her phone number. V1 was concerned that it would be Espinoza's word against hers. After V1 gave Espinoza her cellular phone number she left the guard shack and did not return.

V1 did have to leave WVDC to go to lunch. When V1 leaves and returns to WVDC she would have to pass the guard shack. While V1 was driving pass the guard shack to leave for lunch, Espinoza stopped her vehicle and told her not to tell anyone and she agreed not to tell anyone.

V1 came back onto the facility after lunch. V1 did not talk to Espinoza on her way back into WVDC. V1 stayed in the lobby until it was time to leave for the day. V1 had no additional contact with Espinoza on her way out of the facility.

On Sunday, June 14, 2015, a new weekend inmate worker, █████, was in the lobby when V1 started her day. █████ and V1 got along well. █████ and V1 cleaned together. V1 felt safe when she was with █████ V1 felt unsafe around Espinoza because he touched her breast and asked for her phone number.

██████████ and V1 cleaned the guard shack. Espinoza was in the guard shack while ██████████ and V1 cleaned. At approximately 0930 ██████████ and V1 went back to the visiting lobby to clean and hang out until lunch time. V1 left for lunch and returned at approximately 1200 hours. V1 did not go back to the guard shack on June 14, 2015.

On Saturday, June 20, 2015, V1 checked into WVDC like normal and cleaned the visiting lobby. Another female weekender named ██████████ was already at the guard shack when V1 walked down there. V1 was glad ██████████ was there because she felt more comfortable. V1 began cleaning the bathroom. ██████████ left the guard shack.

Espinoza went in the bathroom behind V1 and asked her if she had ever seen the Chive app for cellular phones. Espinoza was in the bathroom with V1 talking to her about the Chive app when a car drove up to the guard shack. Espinoza walked over to check the vehicle as it drove in. V1 was done cleaning the bathroom and attempted to leave, however; forgot her cleaning supplies on the sink and walked back into the bathroom to retrieve them.

V1 was standing by the toilet. Espinoza walked into the bathroom and asked V1 to show him her breasts. Espinoza was six to eight inches from her. A vehicle drove up to the guard shack and Espinoza walked out of the bathroom, however; came back into the bathroom quickly. V1 did not have time to leave the bathroom before Espinoza came back in. Espinoza told V1, "Don't worry, no one will know." V1 then lifted her shirt and her bra in one motion, exposing her breast. Espinoza was standing very close to V1 and she viewed him as a threat. If V1 wanted to leave she would have had to push Espinoza to get around him.

Espinoza put his right hand on V1's left breast. Espinoza moved his hand from V1's left breast to her right breast. Espinoza commented on the fact that V1 had breast implants. V1 exposed her breasts for approximately two seconds. Espinoza touched her breasts for the same amount of time. A vehicle drove by and Espinoza walked over to check the vehicle. V1 began pulling down her shirt when Espinoza told her not to put her breasts away because he wanted to touch them again. Espinoza told V1 that after he touched them again she could leave the guard shack.

Espinoza walked back up to V1 and was approximately six inches away from her. V1 complied so she would be able to leave the guard shack. V1 lifted her shirt and her bra and exposed her breasts. Espinoza touched V1's left breast and then moved his hand onto her right breast again for approximately two seconds. Another car drove up to the guard shack and Espinoza had to walk out to check the vehicle. V1 stated, this is what saved her. V1 was able to walk out of the guard shack while Espinoza was checking the vehicle that pulled up.

Prior to V1 leaving the guard shack, Espinoza told V1 he thought [REDACTED] was "hot" and that they needed to get [REDACTED] to "party" with them.

V1 went back to the lobby and then left for lunch. On V1's way out of the facility, Espinoza stopped her vehicle when she was passing by the guard shack and told her again not to tell anyone because he had a three year old son. V1 responded, "Ok."

V1 returned from lunch and avoided the guard shack for the rest of the day. V1 did not have any additional contact with Espinoza.

(NOTE: V1 stated that some of her dates may not be correct because she could not remember exactly when certain events occurred)

V1 wanted to clarify that on June 13, 2015, before the incident when Espinoza brushed his elbow against her breast and asked for her phone number, Espinoza showed V1 nude pictures of a female deputy on his phone. Espinoza told V1 the pictures were of a deputy. The female deputy (unknown name) had a vibrator inside her vagina.

On Sunday, June 21, 2015, [REDACTED] and V1 begin their day by checking in. [REDACTED] and V1 clean the lobby. V1 tried to avoid going to the guard shack by going to the front of WVDC near Etiwanda Avenue. V1 did not discuss any inappropriate behavior between Espinoza and herself with [REDACTED]

As [REDACTED] and V1 passed the guard shack to walk to Etiwanda Avenue to pick up trash, Espinoza called out to V1 to come back to the guard shack. [REDACTED] was going to walk up to the guard shack with V1 but Espinoza told her not to. V1 believed this was because Espinoza wanted to tell V1 again not to say anything. V1 approached the guard shack alone. Espinoza told V1 again not to say anything because he has a three year old son. V1 said, "Ok."

Espinoza told V1 and [REDACTED] when they were done picking up trash at the front of the facility he needed V1 and [REDACTED] to clean the guard shack. It was approximately one hour before lunch when [REDACTED] and V1 were done picking up trash. [REDACTED] and V1 went to the lobby and got the mop bucket and returned to the guard shack.

[REDACTED] and V1 cleaned the guard shack. Nothing happened during the hour before lunch because it was a short period of time before they needed to go to lunch. When [REDACTED] and V1 were leaving the guard shack, Espinoza told them to come back after they returned from lunch.

V1 believed [REDACTED] did not inquire about anything between V1 and Espinoza because V1 did not tell her any of the prior incidents. After [REDACTED] and V1 returned from lunch they walked down to the guard shack. Espinoza began talking about women and showing V1 and [REDACTED] pictures on his cellular phone of females. Espinoza told [REDACTED] and V1 he and his ex-wife were swingers. Espinoza talked about his experiences related to his ex-wife and him with multiple other women.

[REDACTED] and V1 were on their cellular phones when Espinoza asked to see [REDACTED] photographs in her camera role. Espinoza eluded to the photographs as being provocative in nature and told [REDACTED] all girls had those pictures on their phones. [REDACTED] tried to ignore Espinoza.

Espinoza told [REDACTED] and V1 he would show them a picture of him if they would show him a picture of them. Espinoza eventually showed [REDACTED] and V1 photographs on his phone of his penis. [REDACTED] realized there was possibly something going on between V1 and Espinoza because [REDACTED] said to Espinoza look at a picture of V1 first. Espinoza answered [REDACTED] by saying Espinoza had already seen a picture of V1 and that he now wanted to see a picture of [REDACTED]

[REDACTED] did not want to show Espinoza a picture of her, however; ended up showing Espinoza a picture of herself in a bra and panties. Espinoza was not happy with the picture and said, "No, I want to see the good pictures." The conversation continued for approximately 45 minutes. Espinoza continued to ask to see nude photographs of [REDACTED] [REDACTED] and V1 left the guard shack without any additional incident on that day.

(V1 corrected her dates and told me everything that occurred on June 21, 2015, actually occurred on June 28, 2015. On June 21, 2015, Espinoza was not at work)

On Saturday, June 27, 2015, V1 checked in at the lobby, cleaned the visiting area. [REDACTED] was at the facility already in the guard shack with Espinoza. V1 went into the guard shack and began cleaning the guard shack. [REDACTED] began helping V1. [REDACTED] left the guard shack. V1 attempted to leave with [REDACTED] but Espinoza said [REDACTED] and V1 were hanging out too much and told V1 to stay and clean. V1 was ready to leave three or four minutes after [REDACTED] left, however; Espinoza told her not to leave. V1 reminded Espinoza it was almost time for lunch.

Espinoza told V1 she got him aroused the weekend before when Espinoza touched her breasts. Espinoza asked to see V1's breasts again. Espinoza told V1 he was a fan of big breasts. V1 felt confused about how Espinoza was treating her. V1 felt obligated to show Espinoza her breasts again. V1 felt obligated because he was asking her to show him her breasts.

V1 went into the bathroom of the guard shack and lifted up her shirt and bra, exposing her breasts. Espinoza placed his mouth on V1's right breast, on her nipple, while he grabbed her left breast. Espinoza moved his mouth from her right breast to her left breast. When Espinoza had his mouth on V1's breast a vehicle approached the guard shack and Espinoza stopped to check on the vehicle. V1 pulled her shirt back down. Espinoza told V1 not to leave and to let him see her breasts again and then she can leave. When Espinoza returned he placed his mouth on V1's left breast, near her nipple, and grabbed her right breast. Each time Espinoza placed his mouth on V1's breast it was for approximately three seconds.

After this incident, V1 left the facility for lunch. While V1 was leaving, Espinoza told her again not to tell anyone. V1 decided she wanted to change her days from Saturday and Sunday to just Sunday's.

V1 went to Glen Helen Rehabilitation Center and asked facilitator of the weekend program to work Sundays only. V1 lied and said she had a schedule change at work and now worked on Saturdays not allowing her to participate in the weekender program on Saturdays at WVDC. V1 was able to make the change and begin working only Sundays at WVDC. V1 did not want to work two days with Espinoza. (Reference the change request form dated July 2, 2015, in V1's work release file.

On Sunday, July 5, 2015, V1 and [REDACTED] check in and clean the lobby. V1 felt like something needed to happen and that the scenario needed to be different. V1 told [REDACTED] that she could not believe this was all really happening. [REDACTED] agreed it was out of the ordinary. V1 told [REDACTED] they needed to video record an incident so people would believe them.

V1 and [REDACTED] went to the front of WVDC, near Etiwanda Avenue and avoided the guard shack. V1 and [REDACTED] returned from the front of the facility at approximately 0934 hours. Two other weekend workers, [REDACTED] (unknown last) and a girl with piercings (unknown name) were in the guard shack. V1 needed to use the restroom because she was on her menstrual cycle. When V1 came out of the bathroom in the guard shack, the two other girls were gone and [REDACTED] was talking with Espinoza.

(V1 referred to the spread sheet Bandlow provided with text messages between V1 and Espinoza. V1 noted the blank spots were possibly photographs Espinoza sent to V1 of his penis that he took while in the guard shack.)

V1 and [REDACTED] left the guard shack and went to lunch. When V1 and [REDACTED] returned from lunch Espinoza told them to go back to the guard shack. V1 and [REDACTED] went to the guard shack upon Espinoza's request. Espinoza wanted to see V1's and [REDACTED] breasts.

V1 and [REDACTED] discussed attempting to record any sexual activity with Espinoza so people would believe them when they told someone. Espinoza was able to get V1 and [REDACTED] into the bathroom area of the guard shack by saying his lieutenant was driving up to the guard shack and they needed to hide. V1 and [REDACTED] went into the bathroom.

V1 stated there was a video of Espinoza attempting to touch [REDACTED] breast. [REDACTED] asked Espinoza what he was doing. Espinoza told [REDACTED] he was under the impression that after lunch he could touch her breast. V1 witnessed Espinoza touch [REDACTED] breast over her clothing. V1 recorded the video on her cellular phone. Espinoza was aware he was being video recorded.

Interview: V1 (Cont'd)

Espinoza wanted to get [REDACTED] involved in sexual activity with Espinoza and V1. V1 and [REDACTED] were in the guard shack bathroom and Espinoza stood by the door way of the bathroom. Espinoza continued to ask [REDACTED] if he could see her breast. [REDACTED] refused to expose her breasts and told Espinoza to look at V1's first. Espinoza had to move from the bathroom to the front of the guard shack several times to check vehicles. Eventually Espinoza told V1 and [REDACTED] "It's almost 2 o'clock, let me see them so you can go." V1 showed her breasts for approximately two seconds to Espinoza first and then [REDACTED] exposed her breasts.

V1 and [REDACTED] asked if they could leave and Espinoza told them they could not leave. Espinoza was standing in the doorway. Espinoza told V1 and [REDACTED] that he was aroused. Espinoza told V1 and [REDACTED] they needed to take care of him before they left. Espinoza pulled out his penis from the zipper of his pants. V1 began masturbating Espinoza.

V1 believed Espinoza was referring to receiving oral copulation by saying they needed to take care of "this" before they left and in pulling out his penis. V1 masturbated Espinoza for several seconds, while looking at [REDACTED] the entire time she masturbated him. Espinoza had to check a vehicle pulling up to the guard shack, when he returned he told V1 "that" was not enough. Espinoza told V1 they needed to take care of him so they could leave.

V1 oral copulated Espinoza. Espinoza did not ask V1 specifically, however; because V1 was sitting closest to Espinoza she felt he meant for her to oral copulate him. [REDACTED] told Espinoza she was going to record the incident. V1 felt she had to complete the act of oral copulation to be able to leave. V1 oral copulated Espinoza for four or five seconds. Espinoza did not ejaculate during the masturbation or oral copulation. The oral copulation was recorded on V1's cellular phone.

After V1 stopped oral copulating Espinoza, he moved out of the doorway and V1 and [REDACTED] were able to leave the guard shack. Espinoza text V1 and talked with her about how aroused he was during the incident. V1 later stated she and Espinoza kissed V1 on the mouth and he encouraged her to tell him how aroused he made her.

Interview: V1 (Cont'd)

As V1 was leaving, Espinoza slapped V1 on her buttocks. V1 believed another vehicle with an employee from WVDC drove by and saw Espinoza slap her buttocks. At 1600 hours a text was received by V1 from Espinoza stating it was cool that [REDACTED] exposed her breasts while V1 "did what she did". Espinoza was referring to V1 oral copulating him.

On Monday, June 6, 2015, Espinoza text messaged V1 and asked her how the video came out. V1 attempted to avoid any contact with Espinoza and only responded with "Lol". V1 tried to avoid Espinoza while off WVDC premises.

On Sunday, July 12, 2015, V1 checked into the lobby and attempted to avoid Espinoza and the guard shack. When V1 left the facility for lunch, Espinoza approached her vehicle and told her to come to the guard shack when she returned.

When V1 returned to WVDC, she went back to the guard shack by herself. Espinoza wanted V1 to perform the act or oral copulation on him. Espinoza had V1 go into the bathroom. Espinoza wanted to see V1's breasts. Espinoza placed his mouth on her breasts. Espinoza kissed V1 on the mouth. Espinoza asked V1 to explain how he aroused her. V1 complied with Espinoza's request and oral copulated Espinoza for four or five seconds.

Espinoza stepped out of the guard shack to check on a vehicle approaching the facility. When Espinoza returned he told V1 he wanted to take picture of her oral copulating him. V1 went down to her knees. As V1 began oral copulating Espinoza, he took photographs of V1. V1's shirt was pulled up with her breasts exposed. Espinoza did not ejaculate on this second incident. Another vehicle drove up to the guard shack and the oral copulation stopped. As V1 was leaving, Espinoza slapped her on her buttocks. Espinoza believed the vehicle that was passing possibly saw him slap her buttocks. Later, Espinoza sent those photographs to V1 via text message.

Interview: V1 (Cont'd)

V1 did not have contact with Espinoza after Sunday, July 12, 2015. On Sunday, July 19, V1 avoided Espinoza and the guard shack. At 1000 hours, Espinoza text messaged V1 asking where she was. V1 did not respond. When V1 was driving out of the facility, Espinoza stopped her car and asked her why she hasn't been to the guard shack. V1 used the excuse that Deputy Hansen would not allow her to come down. V1 said, "Ok," and left the facility.

When V1 returned from lunch, Espinoza told her to come down to the guard shack. V1 felt scared and stayed in the lobby in a broom closet. When V1 left, Espinoza asked why she did not go to the guard shack. V1 replied again Hansen will not allow her to go to the guard shack. V1 did not return to WVDC for weekend work.

I asked V1 if she spoke with [REDACTED] after she stopped going to work release weekends at WVDC, V1 denied speaking with [REDACTED] regarding the incident. Several minutes later, V1 recanted and told me she did call [REDACTED] however; V1 was advised by her attorney to not answer questions regarding the content of the conversation with [REDACTED]

I showed V1 several photographs of females from Espinoza's cellular phone. V1 identified herself and [REDACTED] V1 was unaware that several of the photographs were taken by Espinoza.

V1 had no additional information and Guerra and I concluded the interview.

ARREST:

On Thursday, August 6, 2015, I authored a Ramey warrant for Armando Espinoza. The Ramey warrant was signed by the Honorable Judge J. Malone.

On Thursday, August 6, 2015, at approximately 1400 hours, I contacted Espinoza via telephone and informed him I wanted him to come to Sheriff's Headquarters so I could speak with him. Espinoza informed me he had obtained a lawyer, Steve Sanchez. Sanchez directed Espinoza not to talk to investigators without his attorney. Espinoza provided me with Sanchez's phone number.

Lieutenant D. Lupear, San Bernardino Sheriff's Department, Specialized Investigations Division, called Sanchez and informed him Espinoza needed to come to Sheriff's Headquarters because he was going to be arrested.

At approximately 1510 hours, Sanchez and Espinoza both came to Sheriff's Headquarters. At approximately 1532 hours, Espinoza was arrested for PC 289.6(a)(2), sexual activity with a consenting confined adult. Espinoza was booked at the Central Detention Center and later posted bail. The arrest was without incident.

Witness Interview:

On Friday, August 14, 2015 at approximately 0950 hours, I interviewed [REDACTED] by telephone. The interview was digitally recorded. A copy of the recording was provided to the case agent, Detective M. Walker. The following is a summary of the interview.

[REDACTED] started the work release program sometime in 2013, and has attended off and on. [REDACTED] remembered working on the weekends, during the months of May, June, and July of this year. [REDACTED] has not been to work release in the last two to three weeks.

During [REDACTED] time serving work release, she has worked at several parks and facilities around Rancho Cucamonga and Ontario. [REDACTED] has also worked at the West Valley Detention Center. [REDACTED] last worked at the West Valley Detention Center sometime around May. [REDACTED] remembers the front guard shack was in operation when she last worked at the Detention Center. [REDACTED] remembers there was a Hispanic Male Deputy working in the guard shack. [REDACTED] does not remember his name and only talked to him once, when she was sweeping the guard shack. While [REDACTED] was sweeping the guard shack she talked to the Deputy briefly about sweeping the shack and how the day was going. [REDACTED] described the conversation as "small talk", and said nothing unusual occurred.

[REDACTED] remembers there being a Hispanic Female and an African American Female working during the same day she swept the guard shack. The Hispanic Female went with [REDACTED] when she swept the guard shack, however nothing unusual occurred. Both [REDACTED] and the Hispanic Female talked with the Deputy while she was sweeping, but it was all "small talk."

[REDACTED] talked with the two females during the day but they did not say anything unusual about the Deputy. [REDACTED] said her work release program has been a positive experience.

Witness Interview:

On Friday, August 14, 2015 at approximately 0928 hours, I interviewed [REDACTED] by telephone. The interview was digitally recorded. A copy of the recording was provided to the case agent, Detective M. Walker. The following is a summary of the interview.

[REDACTED] was unsure what date she started the work release program, but remembered working at the West Valley Detention Center on 3 different occasions this year. On those occasions, [REDACTED] always worked on Sunday. [REDACTED] does not remember exactly what months she worked, but remembers there being a guard shack in the front. [REDACTED] observed a Hispanic Male Deputy working in the guard shack on the days she worked. [REDACTED] was unsure of his name because she never talked to the Deputy.

When [REDACTED] would work she would not be assigned to a specific area. Instead, she would be tasked with cleaning several different areas, which also included the area where the guard shack was located.

[REDACTED] never observed anything unusual, however she heard several comments about the Deputy. [REDACTED] never tried to be "cool" with Deputies, however she observed the Deputy had a friendly relationship with some of the workers. [REDACTED] described the Deputy as a jokester and would joke around with the other workers. [REDACTED] felt this was unusual because she feels most Deputies are "assholes." [REDACTED] did not specifically remember any of the workers who would be joking around with the Deputy. She only remembers the Deputy being super friendly to the workers in general.

There was one incident when the Deputy asked some of the workers to grab him something from Starbucks when they went to lunch.

[REDACTED] would hear some of the workers say they were going to go to the guard shack, but she would not know specifically why. [REDACTED] never asked the workers why they would go to the guard shack, and tried to stay to herself.

INVESTIGATIVE INTERVIEWS (Continued):

██████████ - Booking Number ██████████

On Friday, August 14, 2015, at approximately 1428 hours, I conducted and interview with ██████████ a via telephone. The interview was digitally recorded. The following is a summary of that interview:

██████████ was assigned to the weekend work release program at the West Valley Detention Center, beginning in June of 2015. ██████████ is assigned to the visiting lobby area. ██████████ missed her last two weekends (August 2nd and 9th) because of a death in the family. ██████████ worked alongside two other female work release inmates, but only remembered ██████████ name.

██████████ heard the other female inmate tease ██████████ about always going to the guard shack where Deputy Espinoza worked. The inmate teased ██████████ about the amount of time she would spend in the guard shack with the deputy. The other inmate made accusatory jokes to ██████████ about sexual activity with the deputy. ██████████ would simply laugh at the jokes. ██████████ recognized ██████████ would go into the guard shack "a lot" when Espinoza was working.

██████████ never saw any inappropriate behavior between ██████████ and Espinoza, or any staff member. ██████████ did not like to hang out with ██████████ or the other inmate because their personalities were different than hers. ██████████ described ██████████ as, "out there" with an extravert personality and very talkative. ██████████ would joke about people, but nothing inappropriate.

██████████ described Espinoza as quite. ██████████ had a few short conversations with Espinoza, but never about anything personal. ██████████ never heard or saw Espinoza say or do anything inappropriate. Espinoza never did anything to make ██████████ feel uncomfortable.

Recently, a new deputy started working in the guard shack. ██████████ said she and the other inmates do not visit with the new deputy often anymore.

Witness Interview:

On Wednesday, August 12, 2015 at approximately 1230 hours, I interviewed [REDACTED] in front of the Starbucks, located at the intersection of 4th Street and Milliken Avenue in Rancho Cucamonga. The interview was digitally recorded. A copy of the recording was provided to the case agent, Detective M. Walker. The following is a summary of the interview.

[REDACTED] was a work release inmate assigned to the West Valley Detention Center from approximately May of 2014 to June of 2015. When she first was assigned to the work release program she would only work on Saturday. Towards the last few months of her work release, starting in April of 2015, [REDACTED] began working on both Saturday and Sunday.

[REDACTED] remembers Deputy Espinoza when she was working the work release program. [REDACTED] only worked on the same days as Espinoza for a period of a month, on the weekends. During those times, Espinoza was assigned to the guard shack. [REDACTED] was never assigned to a certain area, she would work throughout the entire facility.

[REDACTED] did not have any unusual or inappropriate contact with Deputy Espinoza. Deputy Espinoza did not approach [REDACTED] in any inappropriate ways. [REDACTED] also did not observe any unusual or inappropriate contact between Espinoza and any of the other workers. [REDACTED] observed the other work release workers talk to Espinoza, but it only appeared they were just trying to kill time.

[REDACTED] observed workers "hanging out" in the guard shack on occasion, but said it appeared normal because they would be sent there to clean the guard shack. [REDACTED] was sent to clean the guard shack on occasion and would talk to Deputy Espinoza, but said nothing unusual happened.

[REDACTED] heard other work release workers talking about Deputy Espinoza saying he was "cool" and "handsome", but they would talk about all of the cops. [REDACTED] never heard anything else about Espinoza because she would not talk to the other workers. [REDACTED] did her work and did not interact with the other workers.

WITNESS INTERVIEW:

On Tuesday, August 11, 2015 at approximately 1530 hours, Detective C. Kirby and I interviewed [REDACTED] at her residence in [REDACTED] CA. The interview was digitally recorded. A copy of the recording is included with this report. The following is a summary of the interview.

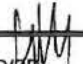

[REDACTED] was a work release worker at West Valley Detention Center from March to July 5, 2015. During that time [REDACTED] was assigned to the front lobby cleaning crew. [REDACTED] knew V1, [REDACTED] and Armando Espinoza.

While working at West Valley, [REDACTED] became friends with another worker named [REDACTED]. [REDACTED] had worked for Espinoza several times and became friends with her. [REDACTED] told [REDACTED] that Espinoza would always talk about his girlfriends and ex-girlfriends. Espinoza would also tell [REDACTED] that he liked black women ([REDACTED] is a black female). [REDACTED] did not believe Espinoza so he showed [REDACTED] pictures of topless black women on his cell phone. [REDACTED] did not see the pictures or hear the conversations between Espinoza and [REDACTED]. This information was what [REDACTED] told [REDACTED].

[REDACTED] did witness V1 always in the guard shack with Espinoza. [REDACTED] did not like V1 because she was rude and did not help with their work duties. V1 was in the guard shack so often, [REDACTED] would joke with [REDACTED] and the other girls on work release that V1 and Espinoza were boyfriend and girlfriend. [REDACTED] said V1 would sit on the floor of the guard shack so she wouldn't be seen by the other workers. [REDACTED] believed V1 did this so she could hide and get out of work.

[REDACTED] described Espinoza as a "perv" or pervert. [REDACTED] said Espinoza always flirted with the work release girls, was way too friendly to the girls, and the information [REDACTED] told her made her think Espinoza was being a "perv." Espinoza never tried to flirt with [REDACTED] because she let him know she had a husband. [REDACTED] said Espinoza's behavior toward the work release girls was not like any of the other deputies, who remained professional.

This concludes [REDACTED] statement.
